HILGER BEGINS REC DIRECTOR DUTIES JUNE 1

Chester J. Hilger will return to Gettysburg as its recreation director June 1.

The local Recreation Association board at its meeting Tuesday night at the engine house unanimously elected Hilger as director at a salary of $5,700 a year and expressed the belief that "with Hilger on the job and the borough operating the program the town's recreation program will continue to expand with the years."

Hilger, after serving a year as recreation director for the borough, resigned his post here last September to accept a similiar position at Huntingdon, Pa.

Elected Promptly

At the time he told the board that he left Gettysburg with regret, but that he felt he preferred a tax-supported post rather than the position here which relied each year on support by public subscription.

When the borough council accepted the offer of the Recreation Board to take over operation of the town's recreation program and thus put the program on a tax basis, members of the local board contacted Hilger and Tuesday night the board was notified that Hilger would be available if Gettysburg wanted him.

The board immediately elected Hilger to the local post.

Making Summer Plans

They also arranged for him to check applications for instructor posts by summer help, with the board planning a program for this summer similar to the program held last summer which as termed "outstanding" by the board.

Last summer's program, which provided playlots in various sections of the own for smaller children and an extensive program at Recreation Field, was arranged by Hilger and carried out by him before he left here.

A native of Ambridge, near Pittsburgh, Hilger received his bachelor's and master's degrees in physical education after attendance

PAN AMERICAN DINNER HELD BY SOROPTIMISTS

A Pan American dinner was held by the Gettysburg Soroptimist Club Tuesday evening at the Hotel Altland, Abbottstown, in observance of "Pan American Week," to be held April 14-20 under a proclamation by President Eisenhower. At the request of the American Federation of Soroptimist Clubs all clubs have been asked to hold a Pan American program during the month.

Twenty-one members attended the dinner at which Mrs Donald E. Myers, chairman of the International Understanding and Good Will Committe, presided. Mrs. Brenda Walker, Littlestown, gave the invocation.

Latin-American music was played during the dinner. Miss Martha Stallsmith, who worked for a number of years in the Pan American Union, Washington, D. C., was to be the speaker but due to illness was unable to be present and she prepared a paper which was read by Mrs. Myers.

Gives Union History

In it she stated that the Union was established in 1890 and was limited to the Western hemisphere. There are 21 member countries, including the United States. The Union tries to reach international agreement on such matters as trade, health, iternational boundaries and disputes. She stated that so far

County Firemen's Convention Aug. 9

The 1958 convention of the Adams County Volunteer Firemen's Association will be held August 9 at Bendersville. President John Mort announced Monday evening at the quarterly meeting of the county's firemen's association at Aspers, with 50 members present.

Secretary Donald Sneeringer asked all company secretaries to send in company histories to Edward G. Loeffel, Littlestown, as soon as possible, for their inclusion in the yearbook to be distributed at the August convention.

Petitions from 16 companies bearing 404 signatures were received. All of the petitions will be forwarded to the state to urge the state to permit fire companies and similar nonprofit organizations to purchase articles for building without paying the three per cent sales tax.

The next meeting of the county association will be held July 7 at Barlow.

SELECT 3 FOR CAMPERSHIPS IN GIRL SCOUTS

Winners of the three partial camperships given by the Adams County Girl Scout Council were determined Tuesday evening at a meeting of the Camping Committee of the county council at the Girl Scout office in the First National Bank building.

At the same time the committee also made plans for attendance by three county Girl Scouts at the national Senior Girl Scout roundup to be held at Colorado Springs, Colo., in July, 1959.

Named as the winners of the three camperships for attendance this summer at Camp Sacajawea, near Chambersburg, were: Julia Newman, daughter of Mr. and Mrs. James B. Newman, Gettysburg R. 1, and member of Senior Girl Scout Troop No 9 of Gettysburg, for District 1; Carole Pautenis, daughter of Mr. and Mrs. Pius V. Pautenis, 530 S. Queen St., Littlestown, and member of Intermediate Troop 12, Littlestown, for District Two, and Sandra Weigle, daughter of Mr. and Mrs. Grayson A. Weigle, York Springs R. 1, a member of Intermediate Troop 19, York Springs, for District Three.

Will Pay Half

Each of the three girls will receive a $26 campership from the county Girl Scout unit and will provide $26 from her own resources to pay for the 12-day camping period at the Chambersburg area camp.

Mrs. Gordon Webster, chairman of the camping committee for the county Girl Scouts, said the three girls were selected on the basis of membership of two or more years in Scouting, enthusiasm for Scouting and practice of the Scout laws and programs and completion of certain ranks in Scouting.

In connection with plans for the National Girl Scout Roundup, Mrs. Webster said the qualifications for girls to represent the county will be announced. Plans call for the coun-

Plans for the Explorer program to be held over the weekend at Camp Tuckahoe will be outlined as will plans for the Bowling League dinner Thursday, and plans for other scout activities during the coming month.

SEEK ACCORD ON LOCATION OF NEW SCHOOL

Directors of the Bermudian Springs Joint School District will hold a special meeting at York Springs Friday evening in another effort to reach a decision on the site for the new high school soon to be erected between York Springs and East Berlin.

At a regular meeting of the board Monday evening, none of the four sites received a majority of the votes. The four locations under consideration are on properties owned by Robert Fair, John Chronister, the DeHaven heirs and a Blevins property. All are about two to three miles from York Springs.

About 30 acres of land will be purchased for the new school property.

On Monday evening the joint board gave a preliminary inspection to the budget for the next school year that totals about $330,000 and represents an increase of about 6 per cent over the current year. The budget is to be completed in May and final adoption will come at the June meeting.

The directors on Monday evening also elected three teachers. Dean Becker of Springfield was elected to a high school English teaching position and William Altland, Newport, will teach social studies. Miss Esther Lory, now a teacher at Lititz, was elected as a Third Grade teacher.

Because of the changes in the school schedule by March and February snows, June 6 has been set as the closing date for the schools, instead of the original date of May 30.

The joint board voted to change its regular meeting night from the first to the second Monday of each month excepting in July and December when the first Monday is specified by state law.

Biglerville Woman Injured In Crash

Mrs. Virginia E. Flaws, 27, E. York St., Biglerville, suffered a laceration of the lip and bruised knees when her car collided with a large furniture van on Carlisle St. at Race Horse Alley at 12:45 o'clock this afternoon.

Neither Mrs. Flaws, nor her son, Larry, 5, required immediate medical attention. The youngster's head shattered the windshield on the right side of the car, but he apparently was not badly hurt by the impact.

Borough police said Mrs. Flaws was headed south on Carlisle St., entering it from Race Horse Alley, and the left front fender of her car hit the left front fender of northbound tractor-trailer operated by Elmer D. Carlson, 41, Great Bend, Pa. The trailer was owned by the Kroehler furniture manufacturing company at Binghamton, N. Y. There was no damage to the truck. Damage to the car was estimated at $95.

Feature Gettysburg On Television Today

Viewers of television this morning saw and heard a ten-minute illustrated talk on the Battle of Gettysburg with special references to the most recent book on Gettysburg, "The Battle of Gettysburg" by Frank Aretas Haskell who fought in the three-day struggle here in July, 1863.

On Dave Garroway's "Today" telecast Bruce Catton, famous Civil War historian, author of several best sellers and editor of the American Heritage, narrated the Gettysburg portion of the broadcast.

Accompanying Catton's description of the battle was a sound film taken on the Battlefield a week before Easter.

Wisconsin Woman Is Killed, Her Husband Seriously Hurt In Collision Tuesday Evening

A Wisconsin tourist seeking a place to spend the night was fatally injured and her husband seriously injured Tuesday night when their auto was struck by a coal truck and hurled against an empty auto carrier seven-tenths of a mile west of here on the Lincoln highway. The accident occurred in front of the driveway leading to the Gettysburg Country Club locker room.

Dr. C. G. Crist, Adams County coroner, said the tourist, Mrs. Olga Agnes Bammel, 65, of 743 S. Seventh Ave., West Bend, Wis., died at 5:45 o'clock, the moment of impact, of a broken neck.

State police said Mrs. Bammel was a passenger in an auto driven by her husband, Fred C. Bammel, 65, who suffered a fractured left arm and right elbow, abrasions of the face and chest and possible fractures of the ribs. He is a patient in the Warner Hospital.

Police said the couple was enroute to Wisconsin, where Mr. Bammel is an insurance broker, after a vacation trip to Florida. The couple was looking for a place to spend the night, police said, when the crash occurred.

Truck Turns Upside Down

According to the officers the Bammel car was traveling west on the Lincoln Highway when it started a turn into the driveway at the Gettysburg Country Club.

John Paul Koontz, 34, Hanover R. 4, driving a truck owned by him and his brother, Ray F. Koontz, also of Hanover R. 4, and loaded with 15 tons of soft coal, was headed east. Koontz drove the truck almost completely off the south side of the highway in an attempt to avoid the Bammel car, police said.

When the coal truck and Buick car collided, the coal truck was turned upside down, dumping its load of coal on the highway. Its driver, however, was uninjured.

Damage Totals $6,300

The Buick was hurled half-way around by its impact with the heavy coal truck and into a westbound empty auto carrier operated by Morgan E. Simpson, 35, Woodville, O. Simpson also escaped injury.

Damage was estimated by police at $2,000 to the Bammel car, $4,000 to the coal truck and $300 to the carrier.

The collision closed the Lincoln Highway just west of the bridge over Willoughby Run and the Gettysburg ambulance had to make a detour on the Fairfield and Old Mill Roads and the Country Club lane to reach the scene. Mr. Bammel had started to get out of his car when the ambulance arrived. He was placed in the ambulance but refused to go to the hospital until his wife could be removed also. Firemen removed Mrs. Bammel from the car, and her husband apparently was unaware that death had occurred. At the hospital firemen told him his wife had been removed to another hospital when he inquired as to her whereabouts.

Mrs. Bammel was removed to the Peters Funeral Home, Carlisle St., for shipment to the Techtman-Myrhum Funeral Home at West Bend. She was born December 5, 1892, at Town Sherman, Wis., a daughter of the late Herbert and Anna (Sauter) Capelle. In addition to her husband she is survived by a daughter, Mrs Elmer Kant, West Bend. Mr. and Mrs. Kant left West Bend Tuesday night for Gettysburg.

Call Gettysburg Firemen

Gettysburg firemen were called shortly after the accident to stand by in case of fire and to provide fire police assistance in rerouting traffic around the scene of the crash. Traffic on the Lincoln High-

SELECT APPLE BLOSSOM QUEEN APRIL 18 AT BHS

Adams County's new Apple Blossom Queen will be chosen April 18 at Biglerville High School. She will be crowned at 2:30 p.m. in special crowing ceremonies on Blossom Sunday at headquarters, South Mountain Fairgrounds, Arendtsville.

Mrs. Eleanor Griest, chairman of the Queen committee, has announced that contestants must be between 16 and 23 years of age, residents of Adams County and allied with the local fruit industry. Entries will be accepted until noon April 18 and may be made through one of the committee members by telephone.

Last year's queen, Miss Joan Heller, was active in many circles in the interest of the Fruit Growers' Association Among her many appearances was her presentation of apple blossoms last spring to Mrs. Mamie Eisenhower at the presidential farm near Gettysburg. She appeared numerous times on television and radio programs and at industry meetings, and competed for the state title at the annual Pennsylvania Horticulture Society meeting in York.

Queen Committee

Serving on the Queen committee are: Mrs. John Pitzer, Mrs. Clay Snyder, Mrs. Lloyd Benner, Mrs. Thomas Oyler, Mrs. Robert Lott, Mrs. Martha Lower and Mrs. Wilmer Bream. Judges will be: Paul L. Roy, editor of The Gettysburg Times; Harry Peters, past presdient, state horticulture society, and Mrs. Louise Dix, home economist, Franklin County. E. P. Dimm, president, Pennsylvania Chain Store Council, will interview contestants.

The public is invited to witness the contest at 7:30 p.m. April 18 at Biglerville High School Committee members expect at least 10 contestants to participate for the honor.

LOCAL MIDDIE IS ON TOP LIST

Midshipman Paul E. Muench, son of Mrs. Ralph S. Wood, R. 2, class of 1961, has been appointed to the superintendent's list at the U. S. Naval Academy, Annapolis, Md., for his accomplishments during the first term of the academic year 1957-58, it was announced today.

The list is similar in many ways to the dean's list at many colleges and universities. In order for a midshipman to be so honored, he has to meet a minimum academic average of 3.3 (82.5%) in his studies, have a mark no lower than 3.2 (80%) in aptitude, and possess a conduct standing satisfactory to the commandant of midshipmen.

Those who achieve the distinction of making the superintendent's list are granted special privileges commensurate with their class for the succeeding term. This also creates among the midshipmen an increased interest in doing well and taking deeper pride in their work.

WITH 8TH MARINES

Pfc. Lloyd R. Decker, U. S. Marines, son of Mr. and Mrs. Lloyd A. Decker, York Springs R. 1, and husband of the former Miss Maudzella M. Eichelerberger, of Dillsburg, is serving with the 8th Marine Regiment of the 2nd Marine Division at Camp Lejeune, N. C.

FINAL CONTRACT IS AWARDED ON GRADE SCHOOL

The last of the major contracts for the erection of the Eisenhower Elementary School have been awarded by the Gettysburg School Authority and work on the site may start by the end of the month, it was indicated today.

The last contract was awarded Monday afternoon at a special meeting of the Gettysburg School Authority. It was the contract for the electrical work and went to the Angell Electrical Company at Taneytown on the basis of the low base bid of $33,529 as tabulated on February 19.

The Angell bid was lowest among nine bidders at that time but awarding of the contract had been delayed for some time because the original offer did not quote some unit prices asked in the invitation for bids. A later letter clarified the bid by stating that where no unit prices were given none were intended that would affect the cost of the work. The second lowest offer was by the Hull Electrical Service of Gettysburg.

The general construction contract already has been awarded to W. R. Oyer, Inc., of Waynesboro, at about $375,000. Frank Ferraris of Shippensburg was given the heating contract at about $69,000 while the plumbing contract went to Kottcamp Construction Company of Chambersburg at close to $30,000.

All contracts are to be signed by April 19 while school district leases with the school authority will be executed next Monday evening at a joint school board meeting. The bond settlement date is April 22. Construction work is not expected to start until after that date.

12 STUDENTS IN DISTRICT BAND

Twelve students from Gettysburg, Biglerville and Littlestown High Schools will participate in Southern District, PMEA Band Festival, April 17, 18 and 19, at Central Dauphin High School, Harrisburg, it was announced today by Earl T. Caton Jr., publicity director.

Those participating include: Gettysburg, Mary Brumbaugh, solo clarinet; Betty Dorr, second clarinet; Janet Johnson, third clarinet; Neva Hartman, alto clarinet; Mary Jarvis, bass clarinet; Robert Lupp, second alto saxophone; Edward Nowicki, second cornet; Littlestown, David Plitt, first clarinet; Hugh Roberts, solo cornet; Biglerville, Cecelia Yoder, first oboe; Nancy Wenk, solo clarinet, and Lyn Lerew, baritone.

The guest conductor will be Allen W. Frock, associate professor of music education at Bucknell University. Wit Gingrich, director of instrumental music at Central Dauphin, and Kermit Stover, principal, are the hosts to the musicians.

The concert will be held Friday and Saturday evenings, April 18 and 19, at 8 o'clock in the Central Dauphin auditorium, located east of Harrisburg at 4600 Locust Lane. Student price is 75 cents and adult admission is $1.

Guardsmen Plan For Two Drills

Plans for drills April 14 and 21 were outlined Tuesday evening at a special meeting of the officer staff of the local National Guard unit, Howitzer Co., 2nd Bn., 104th Armored Cavalry, at the National Guard armory on W. Confederate Ave.

Company Commander 1st Lt. Donald E. Doersom presided at the meeting attended by the executive officer, 1st Lt. Paul E. Blettner Jr., reconnaisance and survey officer, 1st Lt. Robert T. Harner, and motor officer, 2nd Lt. James A. Orndorff.

Plans were completed for setting up range firing with .22 caliber rifles on the indoor range at the local armory April 14 and 21 with the range to simulate the ranges at Indiantown Gap. Every technique used at the Gap will be carried on at the range firing here, the officers decided.

The simulation is planned to familiarize the local guardsmen with the outdoor range firing at Indiantown Gap which will be held by the local guard on April 26 and 27. Each individual will fire for qualification on his assigned weapon during the April 26-27 session at the Gap. Men of the unit are armed with either the .30 caliber M-1 rifle, the .30 caliber carbine or the .45 caliber submachine gun.

Commissioners To Replace 2nd Bridge

Plans of the Adams County commissioners to replace the Gitt's Mill bridge near New Oxford were outlined this morning at a conference between the commissioners and architect L. P. Kooken, New Oxford, at the regular meeting of the commissioners at the court house.

The bridge will be one of two to be replaced by the commissioners this summer. Previously they had made plans for replacing a bridge near Brushtown.

Approval was given for $1,876.19 in county aid for Tyrone Twp. which, according to its application, plans to spend the money for stone to be used where needed on roads of the township.

Further plans were made for the meeting with tax collectors at the court house April 23, 24, 25 and 26 to go over the list of exonerations.

Alumni To Welcome Prospective Frosh

About a dozen Adams County High School Seniors, who have been accepted for entrance into Gettysburg College in the fall, will be guests with their parents of the Adams County Alumni Club of the college Thursday evening at 8 o'clock in the SCA building on the campus.

Members of the college administrative staff and faculty department heads will be on hand to welcome the prospective students and refreshments will be served.

Next event on the calendar for the local alumni group will be its annual dinner meeting April 24.

COVERED DISH SUPPER

A congregational covered dish supper will be held in recognition of the service of the choirs of Zion Lutheran Church, Fairfield, Sunday, at 6 p.m. in the parish house. A musical program will be presented by a quartet. Awards will be presented to the choir members. Dessert and coffee will be served.

VANDALS DAMAGE THROWING PLANT

Chief of Police Calvin Mummert, of Littlestown, is investigating damage done Monday night to the former Littlestown Throwing Company plant on Monarch St. by vandals who hurled large stones and bricks through windows on the east side of the building.

Chief Mummert said 38 window panes and two window frames were smashed by the missiles. There were indications, that the persons who had caused the damage had entered the building after the windows were broken but there was no report that anything had been stolen.

The first floor of the structure is used for storage space by the Carroll Shoe Company.

The police chief said the stones and bricks may have been hurled by teen-age boys. Small youngsters could not have done the damage, he said.

There have been a number of other complaints of windows being broken in Littlestown most of which were not reported to police.

Strayer Yake, 15, Undergoes Surgery

Strayer Yake, 15-year-old son of Attorney and Mrs. J. Francis Yake Jr., New Oxford R. D., this morning underwent an operation at the Hanover Hospital for removal of an abdominal obstruction.

The youth became ill Monday while attending vocational agriculture classes at New Oxford Junior High School, and physicians said that he apparently has an intestinal involvement apparently resulting from a portion of a chicken bone lodged there. The youth, who has become well known through the area for producing outstanding swine and poultry which have won many prizes in 4-H state Farm Show and other competitions, was removed to the hospital last December when he swallowed a chicken bone which lodged in his throat. He was treated then, but it is believed a portion of the bone may have moved on and has now lodged in his intestine.

$310,055 BUDGET IS ADOPTED BY SCHOOL BOARD

A temporary budget was adopted at the monthly meeting of the Littlestown Jointure School Board Tuesday evening in the office of Supervising Principal Paul E. King. The budget, included in the report of the finance committee by George W. Strevig, will be open at the office of the supervising principal for inspection until the next meeting and provides the following: $1,700 for general control; $235,055, instruction; $21,000 for auxiliary agencies and coordinate activities; $25,225 for operation of plants; $19,175, fixed charges, a total of $310,055.

The board voted approval for Maitland Bros. to do filling and grading on the Littlestown Memorial Field. Action was also taken concerning the major purchases of athletic equipment, which from now on must be approved by the Athletic Council. All purchases in the future must be by written order and must be countersigned by the director of athletics and the supervising principal.

Elect Teacher

Mrs. Shirley E. Greenholt, formerly of Hanover and presently teaching First grade at Clymer, was elected as an elementary teacher for the 1958-1959 school term.

Daniel E. Teeter, school solicitor, and Lloyd E. Crouse, chairman of the building committee, gave reports on the progrses of plans relative to the proposed new high school building. Solicitor Teeter also gave a report on the agreement approved by the architect. The planning committee, together with Mr. Teeter were authorized to meet with the rcommended architect and work out details of an agreement and then report back to the board at the May 13 meeting.

Bills and salaries were approved for payment. The treasurer's report revealed receipts for the month totaling $42,994.32 and expenditures totaling $22,671.29 with $60 for general control; $17,303.18 for instruction; $898.19 for auxiliary agencies; $1,246.39 for coordinate activities; $2,058.95, operation of plants; $509.12, maintenance of plants; $595.56, fixed charges.

Principal's Report

The report of the supervising principal revealed that 130 days had been taught to date, at the close of March. Teacher absences due to illness were noted. Schools were closed on March 20 and 21 due to weather conditions. Several notices of illegal absences were served during the month.

Activities included registration of beginners at Rolling Acres with 102 prospective first grade pupils for the 1958-1959 term; Girl's bowling league banquet on April 7; presentation of report cards on April 8 for the third marking period in the high school; report cards for the elementary school will be distributed on April 14.

Hugh Roberts attended District Band Forensic in Harrisburg and received honorable mention as cornetist. The band has started special rehearsals in preparation for the annual concert on April 23. A representative of the Marine Corps and one from the United States avy spoke to the Senior class boys during the month. Students from the local high school were the only ones in the area to place entries in the State Science Fair in Harrisburg.

4 LHS PUPILS SHOW PROJECTS AT HARRISBURG

Four Littlestown High School science students had projects on display at the 1958 Capital Science Fair, held in Zembo Mosque on April 7, 8 and 9, sponsored by the Southeastern Section, Medical Society; the Medical Society of the State of Pennsylvania, the Dauphin County Medical Society, the Engineers Society of Pennsylvania and the Patriot News.

In the Senior High School, mathematics division, the project of Joyce M. Barnes and Gloria E. Burgoon, entitled "Does 1 plus 1 always make 2?" was selected for first place, according to notification received on Monday. Their project won in competion with 13 others in this division from Bishop McDevitt High School, Central Dauphin, Harrisburg William Penn, John Harris, Susquehannock and West Shore High School. Because all judging is on the basis of individual projects and theirs was planned a joint project for exhibition, the girls will not be eligible for the cash and scholarship prizes being offered.

Judy A. Ruggles and Brenda J. Worley entered an exhibit in "Experiment With High Frequency Voltage," in the physics division. The entries from Littlestown High School were the only ones in Adams County at the fair and the only ones representing this area. Both may be viewed at the local high school science fair on Friday, May 16. The Misses Barnes and Burgoon will also have their exhibit on display at the science fair at Shippensburg State Teachers' College on April 18.

The four students spent Monday and Tuesday at the fair and their instructor, H. Dean Stover, head of the Littlestown High School science department, accompanied them on Monday.

Plan Scout Activities

Future activities for the Girl Scouts and Brownies of the community were planned at a meeting of the troop committee members, leaders and assistants, held on Monday evening at the home of the neighborhood chairman, Mrs. Charles E. Ritter, Glenwyn Drive.

The annual Court of Awards will take place on Monday, May 12, at 7 p.m. in the Littlestown High School auditorium. Parents and friends of the girls are invited to attend. Leaders are asked to complete their list for awards to be given and place their orders as soon as possible, to be assured the awards are here for May 12.

The date was changed for the annual week of day camping at Happy Valley, from June 16, to July 7 through 11. Helpers are needed for the week's camp, and volunteers are asked to contact Mrs. Ritter. Mrs. Preston Myers was appointed to serve on the day camp committee, following the resignation of Mrs. Leonard Kerschner, which was accepted with regret. It was announced that dates for the annual summer swimming instructions in charge of Red Cross instructors will be arranged later.

The spring meeting of the Adams County Girl Scout Council will be held Thursday at 8 p.m. in Trinity United Church of Christ, Gettysburg. The Rev. William E. Fenstermaker, pastor of the Gettysburg Lutheran Church, will show colored slides taken on his trip abroad. Election of officers of the board of directors will take place.

Mrs Ritter announced that an outdoor training meeting for leaders and assistants will be held at Camp Happy Valley, the weekend of April 26.

Asks Red Cross For Aid To Fire Victims

Mr. and Mrs. Dale K. Shafer, whose rented home on Biglerville R. 1 was destroyed by fire February 18 when a space heater exploded, have found new living quarters and asked the Red Cross today to appeal for donations of household furnishings for them.

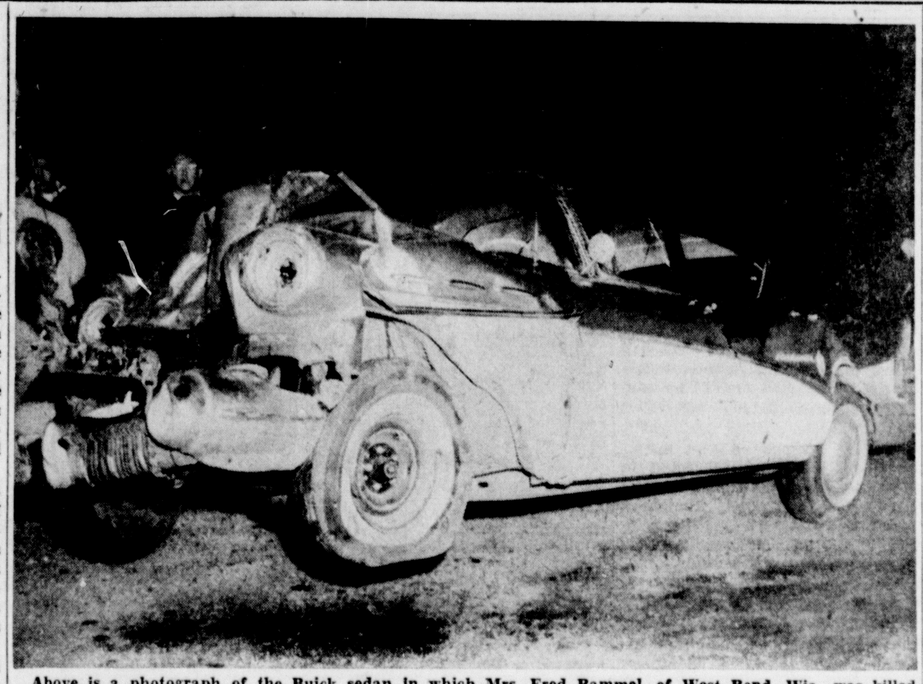

They listed among their needs an oil burner, a double bed, springs and mattress, chest of drawers, a day bed, an electric stove and an electric refrigerator. The family lost all their belongings except the clothing they were wearing when the fire occurred while they were away from home.

CODE VIOLATORS

The following recently forfeited fines in Westminster on motor code violation charges: Fern R. Baker, Taneytown, $10 and costs, failing to grant half of roadway; Ursula Turner. Littlestown, $6.45, illegal parking on highway; Ralph H. McGregor, East Berlin, $6.45, exceeding 30 miles; Earl Linwood Robbins, Orrtanna, $6.45, speed greater than reasonable; Leo P. The photograph below shows the huge coal truck being uprighted after it turned upside down on the highway following the collision and scattering its cargo of coal over the road and the country club lawn. (Times photo)

STAMBAUGH IS SA CHAIRMAN

G. Marion Stambaugh, Carlisle St., has again been named chairman of The Salvation Army Gettysburg Service Unit, Roland W. Keller, division service extension director of the Salvation Army, announced today.

Appointment of Stambaugh for another term was announced in connection with the report of the annual meeting of the service unit held in the offices of the Adams County Farm Bureau, N. Washington St. Keller served as chairman for that meeting

Stambaugh reported 286 individuals assisted by the Gettysburg Salvation Army unit during the year. Assistance was given in the form of grocery orders, fuel, lodgings, meals, clothing, repairs, emergency transportation, gas and oil for stranded motorists, etc. Forty-two local families were among those asisted during the year.

John W. Hewitt, local Salvation Army treasurer, reported that less than $200 remains in the local treasury at the present time and expressed an urgency for raising funds to meet local needs.

The group voted to hold its annual drive for funds beginning the middle of this month. The quota sought for the Gettysburg area is $3,414.

Franklin Twp. PTA Will Meet Friday

The Franklin Township Consolidated School PTA will meet at the school Friday at 7:30 p.m. There will be a business session, followed by a program highlighting the Civil Defense theme.

Harry Fasnick, Civil Defense director in the York Springs area, will show the film, "The Day Called 'X'," explain fall-out, defense techniques, etc.

Robert Kane, PTA president, today urged all patrons and interested persons in the community to attend the meeting.

A social hour will follow.

PHILLIPS RITES HELD

Funeral services for Joseph H. Phillips, 70, Littlestown, R. 2, who died on Sunday in the Hanover Hospital, were conducted this afternoon at 2 o'clock from the J. W. Little and Son Funeral Home, Littlestown. The Rev. A. W. Garvin, pastor of Bart's United Brethren Church, near Hanover, officiated. Interment was in Mt. Carmel Cemetery, Littlestown. Serving as pallbearers were Irvin R. Kindig, Roy Kindig, Glenn Kindig, R. Guy Lain, Richard Keith and John H. Riley.

ACCEPTS NEW CALL

Rev. Donald W. Schlicher, Harrisburg, executive secretary of Town and Country division of the Pennsylvania Council of Churches, has accepted a call to become pastor of the United Church of Christ congregation at St. Paul's (Wolf's) Union church, Thomasville. He will assume his new duties July 6.

Rev. Schlicher, 45, a native of Allentown, is a graduate of Muhlenberg College and the United Church of Christ Seminary at Lancaster. He also did post-graduate work at the Lutheran seminary here.

Issues Reminder On Easter Seals

The Easte. Seal sale of the Adams County Crippled Children's Society is nearly $600 short of its $3,400 goal but donations continue to come in and Campaign Chairman Robert J. McMullin expects the goal will be reached soon. On Monday the county total was $2,834.95.

More than 6,000 letters and seals were mailed early last month to individuals and organizations throughout the county and returns have continued to come in since that time. "We believe a reminder is all that is necessary for many of the folk who help us each year or wish this year to have a part in the work our society does for crippled children here," the campaign chairman said.

"Our society depends almost completely upon seal sale funds to carry on its work and we have set $3,400 as our minimum goal for this year's effort," it was pointed out. Nearly all of the seal money stays in this county and in Pennsylvania for crippled children's work while a small percentage goes to the national organization toward research and education. An important part of the state's share of the seal sale money goes into the operation of three summer camps for crippled children, Camp Easter Seal, Camp Daddy Allen and a camp at Harmony Hall.

Baptize Children In Abbottstown

The following children were baptized Easter Sunday in St. John's Lutheran Church, Abbottstown, by the Rev. L. J. Karschner: Judith Ann Brownwell, daughter of Mr. and Mrs. Bernard Brownwell; Kerry Allen Ecker, son of Mr. and Mrs. Kenneth Ecker; Andrew David Grim, son of Mr. and Mrs. Rodger Grim; Kathy LuAnn Moul, daughter of Mr. and Mrs. Robert Moul; Richard Wayne Conaway, son of Mr. and Mrs. William T. Conaway; Thomas McKenzie Edgar, son of Mr. and Mrs. James Edgar; Pamela Luan, Scott Allen and Karl Jacob Schoffstall, children of Mr. and Mrs. Karl Schoffstall.

The church is sponsoring a bus trip to the National Lutheran Home in Washington on Saturday. The bus will leave the church at 8 a.m.

Copies of the new hymnal are available at the church. Those desiring to place them in memory or in honor of a loved one are asked to notify the pastor or a member of the council.

Tri-Hi-Y Club Aids Needy Family

As a project for Easter, the Tri-Hi-Y Club of East Berlin High School, Bermudian Springs Joint School District, sponsored a drive for clothing, food and other items for an "unfortunate" family.

Shirley Haar, president of the club; Janet Inskip and Linda Shellenberger, all of East Berlin, took the 12 boxes of donated items to the family on Good Friday. President Haar said the number of donations "far exceeded expectations." "The family was very appreciative," she said.

The club also painted Easter eggs at the home of Janet Inskip on April 2. Club members hid the eggs for an Easter egg hunt for 34 first graders of the East Berlin area on Thursday.

GIVE CONCERT IN NEW OXFORD

The choir of the Theological Seminary of the Evangelical and Reformed Church, Lancaster, will present a concert of sacred music at 8 p.m. Tuesday, April 29, in St. Paul's Church, New Oxford. Directing the group of 27 voices will be Frank McConnell, fellow of the American Guild of Organists. He is the organist and instructor of sacred music at the seminary.

Among the anthems to be sung are: "Praise, My Soul, the King of Heaven," by Clokey; "Rise Up, O Men of God," by Noble; "Arise in Us," by Shaw; and a specially composed number by the school director, "Love Suffereth Long." Special numbers will also be sung by the seminary women's choral group. Greetings from the seminary will be brought by Dr. Alfred N. Sayres, professor of practical theology, and choir adviser.

The choir presents approximately 20 concerts each year in churches and colleges throughout the eastern part of the United States. The 1958 itinerary includes churches in Pennsylvania, New Jersey, Connecticut and Massachusetts.

The public is invited to attend the concert.

HANOVER SUPERINTENDENT

Dr. Charles E. Davis, who had been serving as professor of education at Shippensburg State Teachers' College since January, 1957, was elected superintendent of Hanover public schools Tuesday night.

He will succeed Superintendent W. Edward Sheely July 7 when Sheely's second four-year term expires and will receive the same salary as Sheely, $10,000. In December, Sheely notified the school board he would not be a candidate for re-election. He said Tuesday night he has no immediate plans for the future.

INJURES ARM

Maurice Fissel, 50, R. 2, was treated Tuesday at the Warner Hospital for a severe laceration of his right arm sustained when his arm caught in a spindle carver.

CONCERT AND EGG HUNT TO BE HELD SUNDAY

Due to the heavy rain Sunday morning, it was necessary to postpone the band concert and the Easter egg hunt Sunday afternoon. The band concert will be held next Sunday at 2 p.m. and the egg hunt at 2:30 o'clock.

Mr. and Mrs. Homer Steinuar of Hershey and Mr. and Mrs. Paul Hoffman, Williamstown, spent the Easter weekend with Mrs. Blanche Crist. They are the former Eleanor and Mary Klinger who formerly lived with Mrs. Crist.

Mr. and Mrs. George Howe visited Mr. and Mrs. B. Lentz of Dillsburg R. D. last Sunday.

Mr. and Mrs. Jerry Trostle, Johnstown, on Monday visited with Mr. Trostle's brother, Harry E. Trostle, and his sister, Mrs. Elsie Hoffman, and family enroute from visiting their son and family in Philadelphia and their two daughters and families in Baltimore. Jerry is a principal in the Johnstown High School.

Pfc. Edward Asato, of Granite, Md., spent the Easter holidays at the home of Mr. and Mrs. Elmer Coulson.

Mrs Blanche Webb, Harrisburg, recently visited her cousins, Mrs. Elsie Hoffman and Harry E. Trostle, and several former schoolmates, among them Mrs. Stella Stallsmith. She attended school at Hickory Joint. She was the former Blanche Baker. It was her first visit in this community for many years.

The York Springs Lions Club will sponsor a pancake supper in the York Springs fire hall in Saturday night, May 24, from 4 to 8 o'clock. More details will be given later.

The Mademoiselle Club met at the home of Miss Mary Peters. The club announced the purchase of two new books for the library, "Imperial Women," by Pearl S. Buck, and "Booker T. Washington," by Samuel R. Spence Jr. The members of the club will make a house to house canvass in York Springs on Thursday night for the Cancer Fund.

The midweek service of prayer, Bible study and hymn singing will be held in the York Springs Methodist Church this evening at 7:30 o'clock. The official board will meet Thursday at 7:30 p.m.

Mrs. Herman Leer and Mrs. Melvin Worley were received into the membership of the York Springs Lutheran Church last Sunday by letters of transfer.

The following members of the confirmation class were received into the Chestnut Grove Lutheran Church last Sunday: Diana Louise Bricker, Nancy Ann Reynolds, Janet Elaine Hinkle, Nancy Louise Weigle, Dorothy Marie Weigle and Tom Hilary Wolf. Mrs. Glenn E. Weigle was received by adult confirmation.

Dedication services were held last Sunday in connection with the Holy Communion service at the Chestnut Grove Lutheran Church for recently acquired pulpit and choir robes.

TWENTY-FIVE YEARS AGO

35 Girls Join Girl Reserves At Biglerville: An impressive Recognition service was held Sunday evening at St. Paul's Lutheran Church, Biglerville, by the Girl Reserves at which thirty-five new members were added to the roll.

At the sound of the bugle by Wallace Coddington, a member of the Boy Scouts, the girls, entered the church carrying their candles of service.

Following a talk on the origin of the organization by Evelyn Thomas, Rev. Henry W. Sternat stressed the obligations of the Reserve. Special vocal numbers were rendered by Hilda Heller with Mary Heller at the piano. Miss Forence Mae Steward extended formal recognition to the girls. Members of the Biglerville troop of Boy Scouts acted as ushers.

Previous members of the Girl Reserves were Laura Fidler, Anna Shank, Verna Hoffman, Marie Lawver, Romaine Ogden and Viola Lawver. New members are Ruby Anderson, Mildred Blocher, Evelyn Bream, Hazel Chronister, Herma Crum, Esther Deardorff, Jean Deatrick, Harriet Deatrick, Jean Group, Jean Guise, Hilda Heller, Mary Heller, Mildred Huff, Josephine Howe, Mildred Kane, Jean Kessel, Edna Lawver, Mary Lawver, Gail Little, Isabelle Lobaugh, Evelyn Lupp, Gladys Miller, Sara Miller, Alma Roth, Elizabeth Sandoe, Margaret Schriver, Ada Shue, Rheba Shue, Isabelle Shank, Ruth Sterner, Rheba Taylor, Evelyn Thomas, Mildred Umholtz, Pauline Weikert and Evelyn Whitmore.

Akron Crashes In Stormy Sea Early Today; 72 Are Lost: New York, April 4 (AP) — The U. S. Akron, largest airship in the world, crashed in flames early today with 76 men aboard.

Ten hours later only four of those men had been found and one of them was dead, making this apparently by far the greatest disaster in the whole history of lighter-than air flight, a history that has been spotted by numerous major tragedies.

The Akron was caught in a violent electrical storm shortly after midnight, 25 miles out from the Sand Dunes of the Jersey coast, in the region of Barnegat. The Coast Guard reported receiving S.O.S. signals from the Akron which presumably was struck by lightning and set afire.

Gettysburg Is Quiet As New Beer Becomes Legal; Other Places Celebrate: Gettysburgians observed the inauguration of the new 3.2 per cent beer today with quiet dignity. There was not the least semblance of festivity in the town as the new beer became legal at midnight last night.

While most communities where the new brew could legally be sold celebrated the advent of the new beverage with gala celebrations, festival gatherings, parades, bands and much hilarity, Gettysburg was quite peaceful and serene. Only three places were reported at noon today as having the new brew available for those who indulge.

Today's Talk

THE ENTHUSIAST

There is something inspiring about a man of enthusiasm. In my recent reading I have read that the word enthusiasm was bequeathed to the world by the Greeks (en theos) "an inward God." What a blessing to all humanity is very enthusiast! After listening to a man of enthusiasm we feel like going to his speaking place and lifting him to our shoulders, carrying him through th street so as to give him the proper acclaim. The world will never have too many men and women of enthusiasm. They are the ones who have faith in themselves, faith in their fellow citizens, and faith in the Creator of the world. There would be no forward movement in the world without great enthusiasm. All creators and pioneers have been men and women of enthusiasm. They are the dedicated ones. To them we owe a debt that can never be fully paid. As I stop for a moment and think, I am reminded of the example of the automobile, the airplane, the movies, the talking machines, and an endless number of other useful things that owe their life and triumph almost totally to enthusiasm. The one outstanding thing about collecting as a hobby is the enthusiasm that is created for the search of rare items. It stirs the blood and challenges defeat.

People who easily enthuse are fine ones to be around. They usually start things moving. Let us say to them: All glory to you! Nearly every great invention has had its skeptics. The enthusiast, however, keeps stepping on them in his forward stride. To the enthusiast God gives vision and the courage to see things through!

Tomorrow Mr. Adams will talk on the subject: "Inner Calm"

Just Folks

THE DREAMER

They may laugh at the dreamer today
And refuse him the help he would borrow.
They may sneer at his visions and say
They're impractical all, but they may
Be ready to cheer him tomorrow.

They may scoff at the dreamer and jeer,
For they see not the things he is seeing.
But tomorrow success may appear,
And about him they'll hurry to cheer
And call him a wonderful being.

For yesterday's dreamers of dreams
Are hailed as the wise of this morning.
And probable also it seems
That tomorrow we'll go to extremes
In praising what now we are scorning.

SAYS REPORT SHOWS NEED FOR REMEDIES

WASHINGTON (AP) — Sen. Humphrey (D-Minn) said today the latest employment report still shows a need for reasonable recession remedies instead of reliance on hope and faith.

"It's good to receive less bad news than we had before — but it's still not good news," he said of a government job report for March.

The report showed that unemployment increased by 25,000 to 5,198,000 and employment rose by 323,000 to 62,311,000. Humphrey said even so small a jobless increase was disheartening because there is normally a substantial unemployment decline in March.

Pickup In Jobs

President Eisenhower said the figures showed a pickup in jobs and a leveling off in unemployment indicating "a slowing up of the decline" in business.

Sen. Capehart (R-Ind) said he has felt all along the recession would be short-lived and believes it hit bottom in March. He predicted employment would be back to normal by yearend.

But AFL-CIO President George Meany viewed the new job figures as indicating a deepening recession. He said "there isn't a single ray of sunshine" in the economic picture when one considers continuing drops in manufacturing orders, retail sales, industrial production and consumer income.

Weeks Sees Improvement

In New York, Secretary of Commerce Weeks predicted more employment and less unemployment for April.

"By this I do not mean we are out of the woods," Weeks added, "just that the trend has started in the right direction."

Rep. Reuss (D-Wis) said, the March job picture requires immediate action by Congress on a tax cut, expanded unemployment compensation benefits and increased Social Security payments.

Congress returns Monday from a 10-day Easter recess.

Lose Some Steam

Humphrey said steel production and freight carloadings both continued declining in March, and added: "We would be well advised to proceed with an anti-recession program of at least reasonable proportions, and not to rely on faith, hope and charity."

However, it seemed likely the March increase in employment and the absence of any major increase in unemployment would take some of the steam out of the drive for a tax cut and other anti-recession proposals. The administration has opposed any tax reductions for the time being.

In March, farm employment increased by 250,000 with better weather but factory employment declined another 200,000 to a point 1½ million below last year. Total unemployment reached 7 per cent of the labor force, compared with 6.7 per cent in February.

Mine "Ignition" Kills Two Men

CARBO, Va. (AP)—An 'ignition" at a Clinchfield Coal Corp. mine last night killed two men and injured four others.

Ralph Huffman, production manager, said the "ignition," which differs technically from a gas explosion, was caused when a pillar fell and forced gas from one section of the working face to another.

The accident occurred at the company's Moss No. 2 mine, some 30 miles east of the West Virginia line.

Clyde Large, 26, and Jeff Steffey, were killed.

"Look Homeward, Angel" Best Play

NEW YORK (AP)—"Look Homeward, Angel," Ketti Frings' adaptation of the late Thomas Wolfe's autobiographical novel, has won the Drama Critics Circle Award as the best American play of this season.

The Circle members had to ballot twice yesterday to select "The Music Man" as the best musical. On the first ballot, Meredith Willson's cartoon of life in Iowa in 1912 was tied by "West Side Story."

"Look Back in Anger," John Osborne's drama about Britain's Angry Young Men, was chosen the best foreign play.

CLAIMS RAILS NEED U. S. AID

PHILADELPHIA (AP) — Joseph Sharfsin, a State Public Utilities Commission member, says the railroads are losing money badly and need federal aid.

The Philadelphia commissioner, in a statement, proposed the establishment of a federal agency, possibly on the pattern of the old Reconstruction Finance Corp.

He said the agency should either lend the railroads money for new equipment at low interest or buy the equipment and lease it to the railroads.

Sharfsin was one of four commissioners who voted Monday against a 15 per cent increase in railroad commuter fares for the Philadelphia and Pittsburgh areas.

The commission, in turning down the increase cited what it termed vague testimony by the railroads, the Reading, the Pennsylvania and the Pittsburgh and Lake Erie.

Commissioner John B. Conly of Pittsburgh, in another statement, said proper presentation of the testimony would have shown losses justifying the increase. He proposed reopening the hearings to give the railroads "an opportunity to meet the burden of proof imposed on them."

ERIE, Pa. (AP) — Arthur T. McGonigle, organization candidate for the GOP gubernatorial nomination, continued his campaig swing through western Pennsylvania Tuesday with a stop in this Lake Erie port city.

McGoigle, Reading pretzel manufacturer, said in a speech at the Pittsburgh Pless Club on Monday that he is opposed to a right-to-work law for Pennsylvania.

Ocker-Snyder Post No. 321, American Legion will hold its first April meeting at the post home on Thursday, 8 p.m. Prior to the regular session, organization meeting of the ceremonial detail members will be held at 7 p.m.

Actress Pays Taxes And Regains Jewels

NEW YORK (AP) — Judy Garland has her jewelry and costumes again and New York state has $8,673 the singer owed in back income taxes.

Two certified checks, one covering $262 in court fees and interest and the other the back taxes, were handed over by the singer's attorney Maurice Greenbaum.

He refused to reveal who put up the money. He said it was given to her by "someone who had trust in Judy."

Miss Garland did not appear in court. Greenbaum gave the checks to an attorney for the State Tax Commission in the chambers of Acting Justice William B. Groat of New York State Supreme Court.

Groat released a suitcase full of jewelry and six stage costumes Miss Garland had put up to guarantee payment.

SPUTNIK WILL BURST SATURDAY

CAMBRIDGE, Mass. (AP)—Scientists say the Soviet Sputnik II with its dead dog is expected to burst apart when it plunges from outer space Saturday.

The scientists at Smithsonian Astrophysical Observatory said last night the burst, if it occurs, will be caused by the air tanks that kept the dog passenger alive for some time after the satellite was launched last Nov. 3.

If the final plunge is at night, they said, the satellite will look like a flaming meteor. In the daytime it might leave a plume of smoke like a high-flying jet.

Dr. John White said that even if only a part of the original air pressure remains in the tanks, it still would be much greater than the surrounding atmosphere when the rocket starts to heat up about 50 miles above the earth.

The Smithsonian said northern United States and parts of Canada might get a last look tonight at the dog-satellite. It listed these visible passages, all Eastern Standard Time: 7:50 p.m., northeast Canada, visible from Maine; 9:17 p.m., near Hudson Bay, visible from the Great Lakes region and New England; 10:48 p.m., northwest and central Canada, visible from western Great Lakes to Idaho; 12:18 p.m., passage from Alaska to British Columbia, visible to residents of the Northwest.

Appeals Verdict In Fraud Action

HARRISBURG (AP)—Victor Prep of Frackville, cinders contractor, yesterday appealed in Dauphin County Court from his conviction last week on charges he conspired to defraud the state of $20,000 through shortweight deliveries of cinders for use in Lancaster County.

The co-defendant in the case, Philip J. Price, Columbia, former Lancaster County highways superintendent, has until tomorrow to appeal his conviction. He was convicted of conspiracy, but acquitted of 14 counts of false pretense.

Mr. and Mrs. Edwin P. Rood and children, Eddie Paul, Shirley Mae, Bruce Martin, Jason and Andrew, Fairfax, Va., spent the Easter weekend at the home of her mother, Mrs. Maurice F. Rider, Park Ave., and with other relatives of Mrs. Rood in the community.

Mrs. Eloise Stout, Baltimore, spent the weekend with her brother and sister-in-law, Mr. and Mrs. Maurice C. Warehime, Park Ave.

CELTICS MEET HAWKS IN FIFTH GAME TONIGHT

BOSTON (AP)—The injury-plagued Boston Celtics and the healthy St. Louis Hawks, all even at two games apiece, meet in the vital fifth contest tonight in their best of seven series for the National Basketball Assn. championship.

The Celtics, crippled by the loss of Big Bill Russell and minor injuries to other key players, hope determination and hustle will pay off as in the fourth game at St. Louis Saturday.

The Hawks, stung by their home court loss, mapped a more relaxed style of play.

Russell Is Through

"We were pressing too much so as not to make mistakes and the Celtics couldn't do anything wrong in the last game," St. Louis Coach Alex Hannum said. "We'll be a different team tonight."

Russell, the 6-10 former All America, has been declared through for the playoffs because of an ankle injury suffered in the third game at St. Louis.

His top replacement, veteran Arnie Risen, was ailing with a sinus attack. Risen missed a 90-minute practice yesterday, but is counted upon to carry a heavy load tonight.

Bob Cousy still is shaking off the effects of a collision in Saturday's game, while backcourt mate Bill Sharman was limping from an ankle injury.

Loyola Singers

The second part of the program will consist of several selections from the choral group of Loyola College. The program includes "Alma Mater," Ozazeweski; "Your Voices Raise," Handel; "La Pastorella," Shubert; "Grandfather's Clock," Work; "Aura Lee," Poulton; "Set Down Servant," Negro spiritual; "In the Still of the Night," Porter; "I Could Have Danced All Night," Loewe. In addition, the program will spotlight a barbershop quartet, "The Hounds," and an original composition, "Nirrvana," by Eugene Provost.

Concluding the program the combined glee clubs, under the direction of Joseph McCall of Loyola, will sing "Ave Maria," Vittoria; "The Heavens Are Telling," from "The Creation," Haydn; "Beyond the Blue Horizon," Whiting-Harland; and a medley from "Oklahoma," Rodgers-Hammerstein.

Members of the Saint Joseph College Glee club from this area are the Misses Angela Rocks, Waynesboro, Pa.; Adrianne Bartoli, Carlisle, Pa.; and Sally Grabe, Camp Hill, Pa.

Springfield Beats Cleveland 4 To 2

CLEVELAND (AP) — The Springfield Indians scored two goals in a 10-minute overtime period last night to defeat the Cleveland Barons, 4-2, and advance to the finals of the American Hockey League finals playoffs for the Calder Cup.

The Indians, who finished fourth in the league during the regular season, will meet the Hershey Bears, the league leaders, at Hershey tomorrow night in the opening game of the best-of-seven series.

With the score tied 2-all at the end of the third period, Bob Beckett scored what proved to be the winning goal at 2:44 of the overtime period. Ken Schinkel added a goal for good measure at 9:23.

The victory gave the Indians the series four games to three. Hershey defeated third-place Providence in the other semifinal series, four games to one.

L-TOWN DOWNS DELONE HI 6-3

Rallying for five runs in the last of the fourth inning, the Littlestown High School baseball team downed Delone 6-3 at Littlestown Tuesday afternoon.

Gary Worley, Thunderbolt hurler, went the route for the winners and hurled shoutout ball after giving up all of the Delone runs in the first inning. He fanned 10, walked nine and allowed three hits.

Butch Miller started for the Squires and was relieved by Ronnie Asper of Gettysburg.

Littlestown, now 1-1, plays at Taneytown Thursday and at Spring Grove Friday. Delone, 0-1, meets Shippensburg on the latter's field Thursday.

BERMUDIAN JT. TAKES 2ND WIN

Bermudian Joint (2-0) tallied a run in the last of the fourth inning to edge Dover 9-8 at East Berlin Tuesday afternoon.

With one out in the bottom of the inning, Marty Tate walked, stole second base, advanced to third on a wild pitch and raced home on George Williams' single to right center.

Today Bermudian will play at Northern Joint, Dillsburg, to make up a postponed game from March 24.

PAN AMERICAN

(Continued From Page 1)

the successes of the Union have far surpassed any failures. There are Soroptimist clubs in two Pan American countries, Mexico and Brazil.

Miss Julia Peters conducted the drawing for the silverware being sold by the club. The first prize, a covered vegetable dish, was won by Mrs. Robert Smith, and the second prize, a gravy boat and tray, was won by Mrs. S. A. Burton. The club realized about $35 profit on this project. Other members of the committee were Mrs. Violet Hill and Mrs. Wilbert Baker.

At the close of the dinner a "Below-the-Border" auction for the table decorations was conducted with Mrs. Anna Bierer as auctioneer.

Members gave an account of the Easter remembrances received by them from their secret Soroptimist Sisters.

Receive Invitations

Mrs. Guyon E. Buehler, president, reported the receipt of an invitation to the meeting of the Parents' Association of the Adams County Day Care Center on April 15. Mrs. Curtis Flohr and Mrs. Baker will represent the club.

An invitation was also received to attend the eighteenth birthday dinner of the Hanover Club, to be held at Hotel Altland on April 23. Eight members signed up for this affair. Additional reservations may be made with Mrs. Buehler before April 15.

Upon learning that the day was also the birthday of Mr. Howe, owner of the hotel, the club members brought him to the private dining room and sang "Happy Birthday" to him.

Miss Evelyn Altoff, Littlestown, was the fourth member of the committee assisting with the dinner.

Following the dinner Mrs. Osma Gallinger entertained the members at a fire-side party at her home in East Berlin.

Races Start At Grove On Sunday

WILLIAMS GROVE — Three current champions will slug it out for top honors in Sunday afternoon's speedfest on the Williams Grove Speedway, first sprint car auto race of the 1958 season in the east.

They are: Elmer George, Indianapolis, the 1957 mid-western U. S. Auto Club champion; Bill Randall, North Reading, Mass., last year's Eastern USAC king, and Don Carr, Kansas City, Mo., current leader of the International Motor Contest Assn.

The brace of title holders will be among the many champions of previous years in the starting line-up of a seven-event East vs. Mid-west contest.

Mrs. Charles Bollinger, chairman of the Beauty Shop project, reported eight permanents given plus a number of shampoos on March 31. Assistance in operation of the beauty shop has been given, she said, by Mrs. Jeanne McCleaf, Mrs. Charles L. Bollinger, Mrs. Dorothy Deatrick and Mrs. Emma Cooley.

Reports On Activities

Beauticians who wish to volunteer their services for the beauty shop at the home are asked to contact Mrs. Bollinger, Mrs. Fred K. Schwartz or Mrs. Robert E. Shealer.

Mrs. Ira Henderson, chairman of activities in the home, reported the Gettysburg WCTU Tuesday afternoon served cakes, candy, oranges and bananas to the guests at the home. Students of St. Joseph College, Emmitsburg, have made regular visits Saturday mornings. Easter baskets filled with candy were presented all guests by Brownie Troop 63 of St. Francis Xavier Catholic Church, Gettysburg. Cub Pack No. 73, Den 5 distributed 80 baskets to the guests at the home accompanied by Den Mothers Mrs. Donald Carver and Mrs. Nelson Souloff assisted by Mrs. Kenneth Dengler. The Emmitsburg Girl Scouts presented baskets filled with candy. The Blessed Virgin Mary Sodality of St. Francis Xavier Catholic Church presented two bushel baskets of fruits. Sunday School classes were held by the Reformed and Mennonite Churches of Fairfield. Seminary students visited each Sunday evening. Students from the local college visited regularly. The Arendtsville Fire Co. Auxiliary sent birthday cards each month to the home guests. Ruth Miller, Pearl Wiser, Mrs. Erma Keefer, Beuhla Furney and Mrs. Mary Lawver presented cookies and ice cream to the guests from the Auxiliary of the VFW. Homemade candy was presented by Miss Virgie Musser. Moose lodge members took guests to church Easter Sunday morning. April 6 the WSCS of the Methodist Church served oranges and bananas. The Women's Community Club of Littlestown provided an ice cream treat. The Annie Danner Club set the breakfast tables for Easter including colored place mats, Easter centerpieces, etc.

Three members volunteered cars to take guests of the home to the Biglerville Garden Club Flower show in May.

GAMES POSTPONED

Wet grounds forced postponement of the Fairfield - Smithsburg High School baseball game scheduled for Tuesday at Fairfield. It has been re-scheduled for June 2. On Friday Fairfield will play at Kennard-Dale.

The Spring Grove - New Oxford game was also postponed from Tuesday until today at New Oxford.

RESERVE UNIT IS INSPECTED

"Company A did very well in the inspection," 1st Lt. Robert W. Black, company commander, told members of the unit following conferences with the XXI U. S. Army Corps inspection team Tuesday evening. The inspection team made a detailed survey of the local Army Reserve unit Tuesday and of the unit's training Tuesday evening at 39 Queen St. A complete report and evaluation will be sent to the unit at a later date, Lt. Black said.

Also visiting the unit Tuesday evening were: Lt. Col. Harry J. Uhrich, commander of the 313th Infantry Regiment's First Battalion; Maj. Russell J. Darkes of the First Battalion's S-3 section, and Capt. Nelson C. Trefsgar of the First Battalion's S-1 section.

In addition to the inspection, members of the unit received instruction in patrolling by Sfc. Leroy J. Fleming, Fairfield R. 1, and Cpl. Dale C. Biesecker, 22 York St., and instruction in the use of the carbine by M Sgt. John D. Lawver, 163 E. Middle St., and Sfc. Richard B. Yingling, 341 Steinwehr Ave.

Sp-3 Paul A. Harner, Emmitsburg, was assigned to the unit Tuesday evening following his release from active duty. Orders were received sending Pvt.-2 Fred R. Fair, Fairfield R. 2, for six months active duty at Fort Knox, Ky.

HILGER BEGINS

(Continued From Page 1)

at Franklin and Marshall and Ursinus Colleges. He served as recreation director at Rockborough, near Philadelphia, and was a science teacher at a Phoenixville school before coming here. A Navy veteran, he was a physical training instructor at Bainbridge and other Navy centers during World War II.

The amount offered Hilger to return here is a slight increase over what he received previously. His basic salary at the time of his resignation was $5,000 plus expenses including use of his car. The $5,700 figure includes both salary and expenses.

Reports at Tuesday's meeting indicated that the effective date of the taking over of the recreation program by council will probably be October, the end of the current recreation year. President Kenneth Dengler said he was told by the attorneys for the recreation board, Brown, Swope and MacPhail, that the precedure will move "relatively slowly" because of the numerous legal steps involved before the transfer is completed. At present attorneys for the Recreation Association and borough are working out details of the plan for transfer which will then be submitted to the Recreation Board and Council for approval before further steps are taken to effect the transfer.

John Toggas, acting recreation director, reported the completion of all winter activities with the exception of the recreation-sponsored dances which will continue through May. A special dance with Bud Codori's orchestra and refreshments provided by the Elks will be held Friday night, Toggas said. He added that "between 250 and 300" teenagers attend the weekly dances.

With snow wiping out the last class for the adult evening school sponsored by the association a number of persons entitled to refunds in connection with the school did not receive the amounts, Toggas reported.

Toggas said he had the names and addresses of all persons who attended and the board voted to mail the refunds to those who should receive them.

Mrs. Janet Wickerham, board treasurer, reported receipt of $1,500 from Community Chest, bringing the amount on hand to $6,599.87. H. Edgar Riegle, Gettysburg superintendent of schools, was asked to notify the board by next meeting on the amount owed to the school system for the winter program. Under arrangement with the school board, the board pays salaries and then is reimbursed by the recreation board.

Toggas reported four sponsors have been secured for the 16-19-year-old baseball league which will begin its operation this summer. Approximately 55 boys have signed for membership on the teams, Toggas said.

Plans were made for preparing the recreation field for use during the summer.

FAVOR MACHEN TO WIN TONIGHT

SAN FRANCISCO (AP)—Ambitious heavyweights Eddie Machen and Zora Folley, the No. 1 and No. 2 title contenders, battle tonight at the Cow Palace with their expected big prize still a phantom in the future.

Both hoped when they signed for the 12-rounder that the winner would get a shot at champion Floyd Patterson.

The National Boxing Assn. says it hopes so too, but the champ's manager Cus D'Amato says the undefeated Machen forfeited his chance to fight for the title by refusing a previous offer and says "no comment" when asked about Folley.

Machen of Redding, Calif., unbeaten in 24 fights, has stopped 16 foes. Folley, from Chandler, Ariz., with a 39-2-1 record, hasn't been defeated in 17 straight fights and lists 25 knockouts. The Californian is the 2-1 wagering favorite.

The bout will be telecast at 10 p.m. EST.

way was routed across the Country Club lane and the Old Mill Rd. to the Fairfield Rd.

After the crash the coal truck was upset headed approximately north across the highway. The auto carrier was off the north side of the highway and the auto was headed approximately southeast across the highway between the truck and car carrier.

With the gasoline tanks of both the coal truck and auto punctured, there was danger of fire until firemen hosed down the road.

State highway crews were called to remove the coal from the highway. Police said traffic was enrouted for about two hours. A huge tow truck from the A. and B. Motors, Chambersburg, was called to right the coal truck which then was towed to the Gettysburg Motors lot on York St. The car was towed to the Glenn L. Bream garage.

Because of changes in the closing of schools brought about by the February and March snows, another change was made in the schedule for the day camps to be held by the Scouts this summer.

The new schedule of dates which marks changes in dates for the Gettysburg-Fairfield and the Littlestown, St. Francis Xavier, Bonneauville camps were announced as follows:

June 9-13, Arendtsville, Biglerville, Bendersville, York Springs, New Chester and Cashtown.

June 16-20, Gettysburg-Fairfield.

June 23-27, New Oxford, East Berlin, Hampton, Conewago Chapel.

July 7-11, Bonneauville, St. Francis Xavier and Littlestown.

There will be no camp during the week of July 4.

Shell Found Here Is Made Harmless

A 90-millimeter shell, found by several local children and turned over to Bernard Murray at the Diorama, was deactivated by the local National Guard commanding officer, Lt. Donald Doersom, Tuesday.

Doersom noted that several World War II hand grenades and shells have previously been turned in to the National Guard for deactivation and suggested that persons who may have shells or similar souvenirs about which may be loaded turn them in to police, who will turn them over to Doersom, or take them to the armory so that they may be made safe by removal of the charge.

Says Friend May Twirl In Opener

MEXICO CITY (AP) — Manager Danny Murtaugh of the Pittsburgh Pirates says righthander Bob Friend probably will pitch for the Pirates in the National League opener at Milwaukee next Tuesday.

Murtaugh said the probable batting order will be:

Bill Virdon, center field; Dick Groat, shortstop; Bob Skinner, field; Ted Kluszewski, first base; Frank Thomas, third base; Roberto Clemente, right field; Gene Baker or Bill Mazeroski, second base; Hank Foiles, catcher; and Friend.

OLYMPIC FEUD IS COOLING OFF

LONDON (AP)—Although there are divergent opinions on whether Olympic Games tickets should be taxed to help the International Amateur Athletic Federation, relations between that body and the International Olympic Committee are apparently peaceful.

What had been reported as an international feud is apparently just a tempest in a teapot.

Donald Pain, IAAF secretary, said there had been no suggestion that the financially hard-pressed federation should set up a rival to the Olympic Games. He did say, however, that the IAAF had approached the IOC for a small percentage of Olympic Games receipts.

His statement came after reports that IAAF had threatened to set up its own track and field championships every two years sandwiched around but in competition with the Olympics.

In Chicago, Avery Brundage, IOC president, said he had not heard of the reported IAAF revolt, but added, "I am unalterably opposed to such a tax, or small surcharge, although I am aware that the IAAF needs some assistance. But such a tax would not be countenanced by the public."

CLINT COURTNEY IS HAVING GREAT TIME IN SOUTH

By ED CORRIGAN
The Associated Press

Bespectacled Clint Courtney may not haul the Washington Senators out of the American League basement this year, but he certainly appears set to do himself proud.

The Senators have many weaknesses, but catching is not one of them. In fact, Courtney, who hit .300 or better twice since coming to the majors in 1951, had to share the Senator catching duties with Lou Berberet last year.

At the moment, though, Courtney is the No. 1 man. With a .435 batting average, he is Washington's leading spring hitter.

Half Dozen Homers

Courtney's big trouble is that he does not hit a long ball. He had half a dozen home runs last year, and that was his fattest production.

He connected for one in yesterday's 10-3 Washington victory over the Cincinnati Redlegs, and also chipped in with three singles and stole a base. Pedro Ramos went six innings and blanked the Redlegs at Richmond, Ind.

Milwaukee left fielder Wes Covington scored the winning run in the 13th in the Braves' victory over the Los Angeles Dodgers at Austin, Tex., but it cost him dearly.

Going To Miss Opener

He raced for the plate on Phil Paine's bunt, and collided with catcher Rube Walker. He jammed his knee in the pileup and might be out for a week, and thus miss the opener against Cincinnati.

Mickey Vernon got the big blow in the Cleveland Indians 11-7 triumph over the San Francisco Giants at Corpus Christi, Tex. He slammed a bases-loaded home run in the first inning.

In other games, the Philadelphia Phillies edged the New York Yankees 3-2 at Charlotte, N.C.; the Chicago White Sox defeated the St. Louis Cardinals 5-4 at Wichita, Kan.; the Chicago Cubs decisioned the Baltimore Orioles 6-5 at Scottsdale, Ariz., and Mexico City of the Mexican League turned back the Pittsburgh Pirates 5-3 in a night game south of the border.

Whitey All The Way

Whitey Ford became the first New York pitcher to go all the way but it was for a losing cause. Harry Anderson hit a sacrifice fly in the eighth inning, scoring Chico Fernandez, and that was the ball game.

The White Sox loaded the bases in the seventh inning. Card first baseman Irv Noren dropped a double play ball permitting the tying and winning runs to score.

The Cubs scored the winning the Orioles o Bobby Adams' double and Dale Long's single.

Pedro Ramirez, a 28-year-old Mexico City pitcher, held the Pirates in check except for a three-run homer by catcher Danny Kravitz in the ninth.

PAST GRANDS ARE GUESTS OF SYLVANIA IOOF

Sylvania Lodge No. 613, Independent Order of Odd Fellows was host to the Adams County Past Grands Association for the 277th meeting held on Monday evening in the Littlestown lodge rooms. President James Myers, Gettysburg, presided. The following lodges were represented at the April session: Gettys No. 124, Gettysburg IOOF; York Springs No. 211; Daniel and Jacob No. 23, Manchester; Taney No. 29, Taneytown; Waynesboro No. 118; Sylvania 613; Taney Rebekah No. 83; Manchester Rebekah 18; Mary Gettys Rebekah 106; and there were a number of visitors present.

The program opened with the group singing of "America," accompanied on the piano by Mrs. Ronald Strevig; invocation, the Rev. Rodney T. Yates, pastor of Centenary Methodist Church, Littlestown, who was speaker of the evening on the subject "The Value of Truth"; reading, Roy L. Hann, of the host lodge. Vocal musical selections included, "The Wiffenpoof Song" and "The Desert Song," Gary Strevig; duets, "Melody of Love" and "Redwing," Ronald and Gary Strevig, and they were accompanied by Mrs. Ronald Strevig, also of Littlestown.

Donald Weikert, Gettysburg, spoke concerning the United Nations bus tours for young people to Gettysburg again this summer, and added that the Past Grands will assist in bearing expenses and with entertainment for summer tours again this year. Remarks were heard from Jesse Lemmon and A. Hockensmith, of the Waynesboro IOOF. Mrs. William Corbin, Gettysburg, commended the Past Grands on their program of the past. Ernest R. Sentz, Littlestown, secretary, gave his report. The next regular meeting of the lodgemen will be held on Thursday, May 1, with the IOOF of York Springs.

During the social hour, refreshments were served to the 64 persons in attendance by the host lodge. The evening's committees included: Entertainment, Roy L. Hann, Kenneth W. Oliger and Ernest R. Sentz; refreshment, Melvin A. Miller, Clarence O. Bankert and Edward F. Hawk.

Nears Completion Of Air Force Course

MISS HAAR

T/Sgt. Jim Funck, local Air Force recruiter, announced today that Miss Peggy Joan Haar, 18, daughter of Mr. and Mrs. G. Marion Haar, Abbottstown, R. 1, is nearing completion of her Air Force basic military training at Lackland Air Force Base, San Antonio, Texas, the 'Gateway to the Air Force."

Her training is preparing her for entrance into Air Force technical training. The courses include a scientific evaluation of her aptitude and inclination for following a particular career field.

Sgt. Funck also announced that a special WAF flight is being formed in Central Pennsylvania and women interested will be enlisted April 29. Twenty applications have been received. Women who may be interested may call Sgt. Funck at 48 York St., phone Gettysburg 1549.

Give Demonstrations

A home products demonstration was featured at the April meeting of the Ladies' Auxiliary to the Alpha Fire Company No. 1 or Monday evening at the engine house. Those who placed orders for the products may pick-up their items at the engine house on Saturday, April 19.

The business session was in charge of Mrs. Ottie Weaver, president. Mrs. Kathryn Hahn, secretary, gave her report. The guess package, contributed by Mrs. Mary Wolfe, was received by Mrs. Annabelle Ohler.

INSTALL NEW OFFICERS FOR LOCAL JAYCEES

Close to 50 members of the Littlestown Junior Chamber of Commerce, their Jaycettes, and several guests were in attendance at the Ladies' Night meeting held on Monday at Schottie's Hotel, when installation of officers took place. Ray T. Harner served as master of ceremonies. Frank E. Basehoar, administrative assistant at the Littlestown High School, and president-elect of the local Rotary Club, was guest speaker for the occasion.

Past President L. Robert Snyder was in charge of the installation for the following: President, Clyde W. Crouse; vice president, William R. Keefer; secretary, Clyde Bucher; treasurer, Robert V. Weaver; directors, Ralph C. Unger, Noah V. Brown, Emerson F. Muller, Paul F. Boller Jr., Paul E. Hilterbrick Jr. and Richard D. Thomas. Mr. Crouse presented the retiring president's pin to Richard Thomas, who then gave his annual report summarizing the chapter's activities during his term in office.

Installed By Bair

Albert J. Bair, who is a state director from the local chapter, installed the following new members and presented them with the Jaycee pins and pamphlets: Russ Abbott, Ronald B. Hall, Jay R. Crouse, Walter E. Rentzell and Norval Beaver. The latter was unable to be present for the installation ceremonies.

It was announced that a regional Jaycee meeting will be held on Sunday, April 20, in Huntington with vice president, William E. Bittinger, of Shippensburg, in charge. The Pennsylvania State Jaycees will hold sessions on May 1, 2 and 3 in Pittsburgh. Those from the local chapter planning to attend should make reservations with President Crouse no later than April 15.

Invited guests present on Monday evening were Mr. and Mrs Marvin F. Breighner and Mr. and Mrs. Herbert J. Sell. The Messrs. Breighner and Sell assisted greatly with the Jaycees sponsored Variety Show and This Is Your Life program in February. Following the meeting on Monday, the Jaycees, Jaycettes and guests went to Lincoln Logs Restaurant, near Gettysburg, for dancing.

The chapter directors will meet on Monday, April 14, 8 p.m., at Schottie's. The next regular dinner meeting will be held on Monday, April 21, 6:30 p.m., at Schottie's.

Rotarians' Hear Dr. Duck

Dr. William O. Duck, head of the guidance department and placement bureau of Gettysburg College, was the guest speaker at the weekly dinner meeting of the Littlestown Rotary Club Tuesday evening at Schottie's Hotel. Dr. Duck told of the training program offered by various businesses and industries, and spoke concerning the annual recruiting among college seniors. He distributed many brochures publishing by different companies, which told of the advantages highlighted by each firm. Dr. Duck was introduced by Frank E. Basehoar, chairman of the Club Service Committee, in charge of the evening's program.

The club sang "Happy Birthday" to members Lloyd E. Crouse and A. G. Ealy. Thomas C. McSherry introduced a visiting Rotarian, Landon C. Burns, Westminster. Frank Basehoar, of the "On to Hershey" campaign, announced that the district conference will be held in Hershey on April 26, 27 and 28. President Ealy read a letter of thanks from the local high school seniors for the club's entertaining them at a breakfast program last Tuesday morning.

Carl F. Hermann, of the program committee, announced that Terry R. Andersen, head of the Harrisburg FBI, will be the guest speaker at the meeting of the Rotarians next Tuesday, 6:15 p.m., at Schottie's. Assisting Mr. Hermann on the program committee are George P. Smith, Nevaeh A. Crouse, Dr. Joseph R. Riden, Preston Myers and Arthur E. Bair Sr.

First Communion

A class of seven year-olds will receive First Holy Communion in St. Aloysius Catholic Church on Sunday at the early mass, 7:30 a.m. For this service, pews will be reserved on the right side aisle of the church for parents and families of the first communicants.

Brownie Scout Troop No. 61 met on Saturday morning in the engine house when a group of Easter games were played in charge of three Girl Scouts from Troop 11, Janice Evans, JoAnn Beamer and Patsy Yingling. As a surprise for the girls, the Easter baskets which they made as projects were filled by the leaders, Mrs. George Schaefer, Mrs. Ray T. Harner and Mrs. Earle J. Black.

The following hostess committee was appointed to serve for the next meeting on Monday, May 5: Mrs. Mildred Wallick, Mrs. Ruth Sneeringer, Mrs. Elva Weaver and Mrs. Dorothy Burgoon. At the conclusion of the business, refreshments were served to the group by Mrs. Esther Harner, Mrs. Alice Hartsock, Mrs. Ruth Crouse and Mrs. Patricia Keagy.

Personal Items

Esther Williams Secures Divorce

SANTA MONICA, Calif. (AP) — The 12-year-marriage of Esther Williams and Ben Gage has ended in divorce.

The actress, 34, obtained her decree yesterday on testimony that Gage, 42, kept late hours and made her nervous.

Under a court-approved settlement, Miss Williams was given custody of their children, Benjamin, 8, Kimball, 7, and Susan, 4, and all community property except Gage's interest in a jointly owned manufacturing firm.

Quads Are Born; Three Are Living

SAN FRANCISCO (AP)—A 5-foot-1, 102-pound mother gave birth to quadruplets yesterday. One was stillborn.

The surviving babies—all boys—were reported doing fine. They were placed in an incubator. They weighed 2 pounds 3½ ounces; 2 pounds 4 ounces; and 2 pounds.

The births were the first for 19-year-old Gladys McGraw, wife of Ian McGraw, 22, an employe of a janitorial service.

"I'm really surprised," said McGraw, a native of Scotland. "You might say I'm in a state of shock."

MAY REPLACE P. O.'S

WASHINGTON (AP)—If Congress will boost postal revenue by voting a 5-cent rate on out-of-town letters, the Post Office Department promises to consider replacement of post office buildings and equipment in these Pennsylvania cities it said yesterday:

Bethlehem, Bryn Mawr, Carnegie, Coraopolis, Doylestown Easton, Greensburg, Homestead Lancaster, Lebanon, Lock Haven Media, Nanticoke, Pottstown Shamokin and Uniontown.

The famous Langelinie Pavilion in Copenhagen destroyed by the Nazis in 1944, has been rebuilt in modern Danish style.

BLAKLEY TO SEEK SENATE SEAT IN TEXAS

DALLAS (AP) — Former Sen. William A. Blakley, a millionaire Democrat who has attacked the Supreme Court's antisegregation rulings, announced for the Senate yesterday.

The states' rights defender, a Dallas attorney, entered the July Democratic primary.

Conservative Democrats have long urged Blakley to run for the seat now held by Sen. Ralph Yarborough (D), who has the support of liberals.

Appointed By Shivers

Blakley also has attacked the Eisenhower administration's money policies and what he called labor political managers.

Former Gov. Allan Shivers appointed Blakley to the Senate Jan. 15, 1957. He served as an interim senator for four months, filling the post when Price Daniel left the Senate to become governor.

Yarborough was elected to fill the unexpired term April 2, 1957. Blakley was not a candidate.

Yarborough has not announced his intentions.

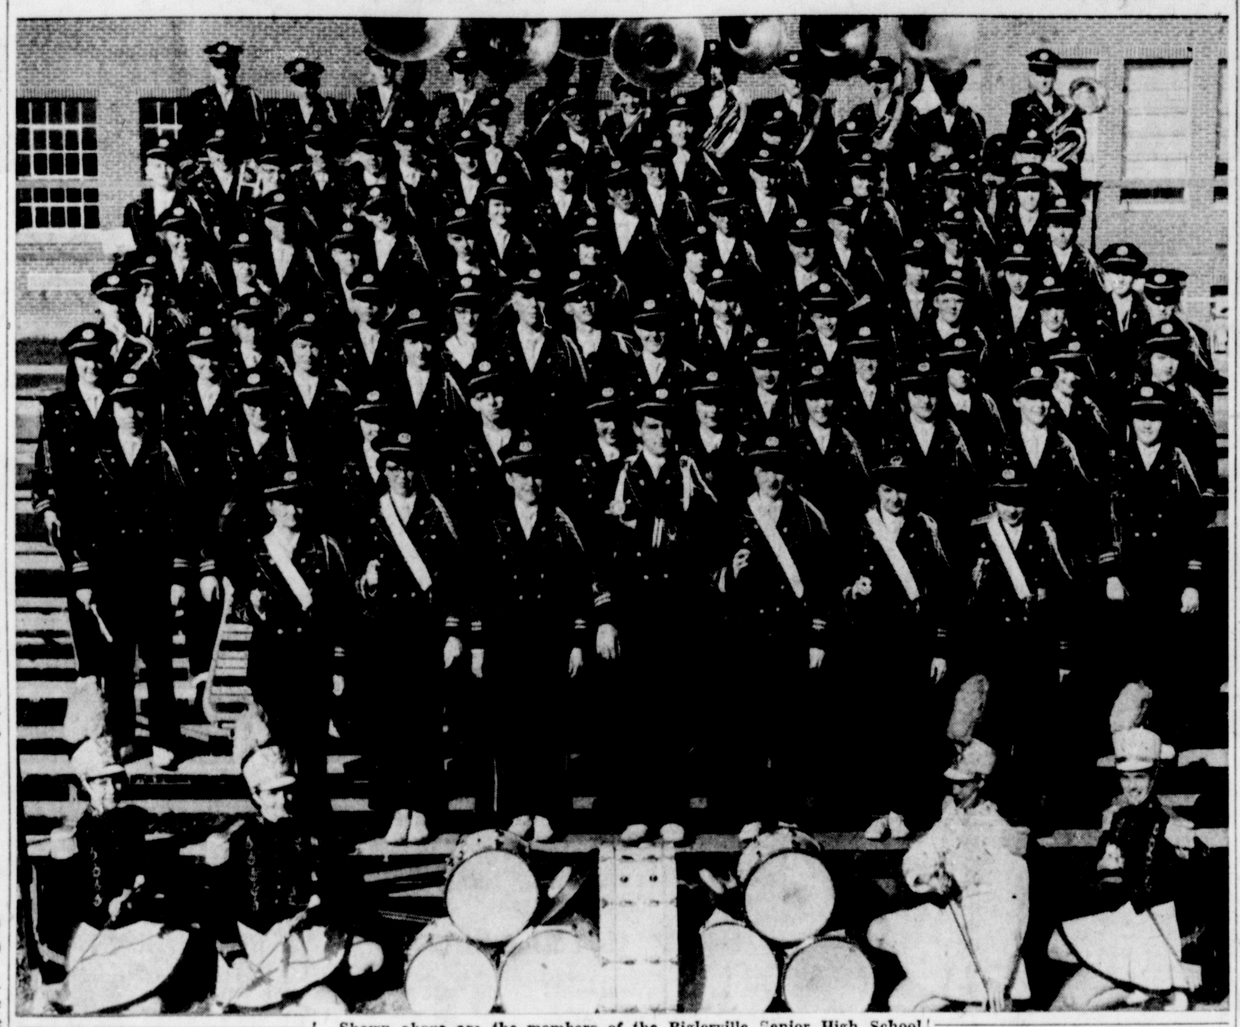

"No Reaction"

Yarborough said of Blakley's action: "I have no reaction whatsoever."

Officially, Blakley is a lawyer. But he has widespread business interests.

Blakley has supported Eisenhower in the past and has often crossed the tangled Texas political lines.

PUBLISH NEW BOOK OF JOKES

KNOXVILLE, Tenn. (AP) — When things were bleak in ancient Greece, and laughter was the best medicine, the Greeks had the words for it. With variations, we are laughing at the same words today.

There are no records to indicate whether ancient Greek after-dinner speakers began their talks, "A funny thing happened to me on the way to the Parthenon . . ."

But there are records of ancient Greek jokes, and these are collected in a new book written by Dr. Albert Rapp, professor of classical languages at the University of Tennessee.

"The ancient Greeks and Joe Miller" was printed in a special limited edition for the Roxburghe Club of San Francisco.

"If you were to read the stories of this joke book, your immediate surprise would probably be to meet that very familiar and nowadays threadbare character, the absent-minded professor," Rapp observed.

Aristotle may have asked Plato if he'd heard the one about the "professor who was invited to a wedding banquet. When it came time to leave, he said to the groom: Good luck, and may you have many more.'"

A stock character of Greek jokesters was the braggart. For instance: "A braggart, walking in the market place, saw his servant, who had just come in from the country. The braggart called out: 'Hello! How goes it on my sheep ranch?' The servant replied: 'One sheep is lying down, asleep. The other is standing up.'"

And this one about gabby barbers.

Quoth the bard: "A wit was asked once by a chattery barber: 'How shall I cut your hair?' The wit replied: 'In silence.'"

"PLANNED TO MARRY LANA"

CHICAGO (AP) — The Chicago Tribune today quoted the stepmother of the slain John Stompanato as saying her son loved Lana Turner and "I think he planned to marry her."

The Tribune said Mrs. Verena Stompanato of nearby Woodstock, Ill., in comments and letters written to her by her stepson drew a different picture of him than the one painted by Los Angeles police who called him a gigolo, preying on wealthy women.

The paper quoted Mrs. Stompanato as saying she had no hatred for the film actress or her daughter, Cheryl, 14, who is accused of fatally stabbing Stompanato Friday night after a quarrel between him and her mother in her mother's bedroom.

"Share The Guilt

"I only feel they should share the guilt—or whatever it is," Mrs. Stompanato said. "I don't want that little girl to suffer all her life for what happened."

The Tribune said Mrs. Stompanato said her stepson, planning to accompany Miss Turner to London last July, asked her to care for Cheryl.

"I declined," she was quoted by the paper. "I thought that raising a 13-year-old girl would be too much responsibility. If I had taken Cheryl as John suggested, he might be alive today."

She said John wrote that Cheryl had a "false feeling that Lana didn't love her," Mrs. Stompanato said. "He wrote that he thought he had convinced Cheryl that her mother did love her."

PHILADELPHIA (AP) — Lehigh Portland Cement Co. has brought suit against the federal government for a refund of an alleged $2,743,068 overpayment of income and excess profit taxes in 1953.

The company, headquartered in Allentown, Pa., but operating some 15 plants in the U.S., said in its suit file din Federal District Court yesterday that it showed an excess profits tax and income tax liability for 1953, of $6,336,043.

CONCERT BY BHS BAND WILL BE GIVEN ON FRIDAY

Tchaikovsky's "1812 Overture" and a novelty, "Sunday Drivers," will be featured at the annual Spring Concert to be presented by the Biglerville Junior and Senior High School bands Friday evening in Memorial Auditorium at the South Mountain Fairgrounds near Arendtsville.

The concert by the bands is scheduled to begin at 8 o'clock Friday night. A concert by "The Sportsters" high school dance band, will be held from 7:45 until 8 o'clock.

Biglerville's Junior High School band will open its presentation with the "Gallant Marines" march by King followed by "Das Pensionat" overture by Suppe; a Latin American melody, "Tropical Adventure" by Osterling, and "The Talisman" march by Seitz. The "Das Pensionat" overture is from Suppe's comic opera famed for its Viennese music. Suppe is also known for his "Poet And Peasant" and "Light Calvary" numbers. The "Das Pensionat" overture to be played by the band is a modern revision arranged by Mayhew Lake and includes the original preludium, followed by a waltz, "The Serenade," a ballet scene, a church choir scene, the "Cancan" dance and grand finale.

Varied Program

Following an intermission the Senior High School band will play the "Salute To P.M.E.A." march by Davenport; a selection from "Park Avenue Fantasy," by Malnek and Signorelli, the "Concertina" solo for clarinet by C. M. vonWeber with Nancy Wenk as soloist and "Waltzing Winds" by Osterling which features the woodwind section of the band and is a composition of ballet or skating type of waltz.

The major portion of the Senior High school band's concert will be the "Overture Solennelle '1812' Opus 49," Tchaikovsky's famed overture written in the spring of 1880 to commemorate the events surrounding Napoleon's defeat near Moscow in the year 1812. An old Russian hymn, "God Preserve Thy People," is heard in the first moments of the music, then the national music of France and Russia are blended to depict the battle between Russian and French troops. Folk tunes are used to represent the Russians while the Marseillaise represents the French. The music includes the sound of cannon before the victory is symbolized by bells, representing the ringing of the bells of Moscow, and the playing of the Russian National Hymn.

The "Sunday Drivers" novelty to be played by the band depicts the "hustle and bustle of the highway portrayed by various sections of the band and sound effects."

The program will conclude with "Study In Rhumba" by Muccigrosso, "Lullaby Of Birdland" by Forster and Shearing and Goldman's march, "Illinois."

HOME EC MEETING

"Clothing and Textiles for Today's Families" will be the topic of the ninth annual Home Economics Spring Weekend April 18 and 19 at Pennsylvania State University. Vance Packard, author of the book, "The Hidden Persuaders," will talk on advertising as it affects family clothing and textiles.

Lana Mum On Publication Of Her Torrid Love Letters To Stompanato Written Abroad

LOS ANGELES (AP) — Lana Turner was mum today on publication of her torrid love letters to Johnny Stompanato, handsome underworld figure slain by the actress' daughter.

Six letters, published yesterday in a copyrighted article in the Herald-Express, began with such endearing salutations as "Daddy darling" and "Dearest precious heart."

Her attorney said it would be unethical for Miss Turner to issue statements of any kind while her daughter Cheryl, 14, faces a Juvenile Court hearing.

Cheryl stabbed Stompanato to death last Friday night during a fiery quarrel between the 38-year-old actress and her curly-haired boy friend.

"I Love You, Daddy"

Portions of the letters written last fall and winter while Miss Turner was on a film assignment in Europe:

From Copenhagen, Sept. 19, 1957 — "My dearest darling love . . . All I want to write and say is that I love you! G--! It was so wonderful to hear your voice again Daddy! Already it seems like months we've been apart. . . . Anyway, sweet love, remember how much you mean to me — and please, please ciudado (be careful). . . . I have so many things whirling around in my brain, to write to you — but bear with me precious love, the next letter has to be better and longer — I promise! Until then — keep your arms around me so close — and kiss me as I do you a thousand times — so keep well beloved! Because I do worry so — try to eat and sleep — for me? Please. Love you — love you — daci (Italian for kisses) (signed) Lanita."

In Bad Way Now

From London, Sept. 26, 1957 — "Daddy darling — . . . . How very lonely I am — and only for you! I don't really give a damn about any others . . . I'm sitting upstairs with 'our' records on — and wouldn't you know it, it's raining! I miss you and need you so. . . . Dearest love, whatever will I do over here without YOU? Exist? Yes, but nothing, nothing else. . . . Beloved, I do love you terribly, the very same 'Mutual' love that you feel — I am your woman and I need you, my MAN! To love and be loved by you — don't ever ever doubt or forget that!!. . . . There's so much to say — but it's easier when you're holding me 'all thru the night' — all my love . . (signed) Lanita."

Miss Turner remained in seclusion yesterday. Her press agent said: "Miss Turner is in a very bad way. She's not holding up well at all."

Inquest On Friday

The actress and Steve Crane, her second husband and father of Cheryl, will attend a coroner's inquest Friday probing the death of Stompanato, onetime bodyguard for ex-gambler Mickey Cohen.

Her attorney said Miss Turner will answer fully all questions put to her at that hearing.

Cheryl, who is being held in Juvenile Hall, is expected to testify.

FARE RAISES REFUSED BY PUC

HARRISBURG (AP) — Three Railroads today studied the Public Utility Commission's refusal of their requests for an average 15 per cent increase in commuter fares to determine whether they should resubmit their proposals.

One of the five members of the commission suggested such action on Monday, claiming they might win the fare increases with better presentation of their claims.

The increases would apply principally to the Philadelphia, Pittsburgh, Lancaster and Harrisburg areas.

In rejecting the requests by the Pennsylvania, the Reading and the Pittsburgh and Lake Erie Railroads on Monday, the Commission said the railroads' testimony was "one of the most deficient in point of quality of proof" ever made before the PUC.

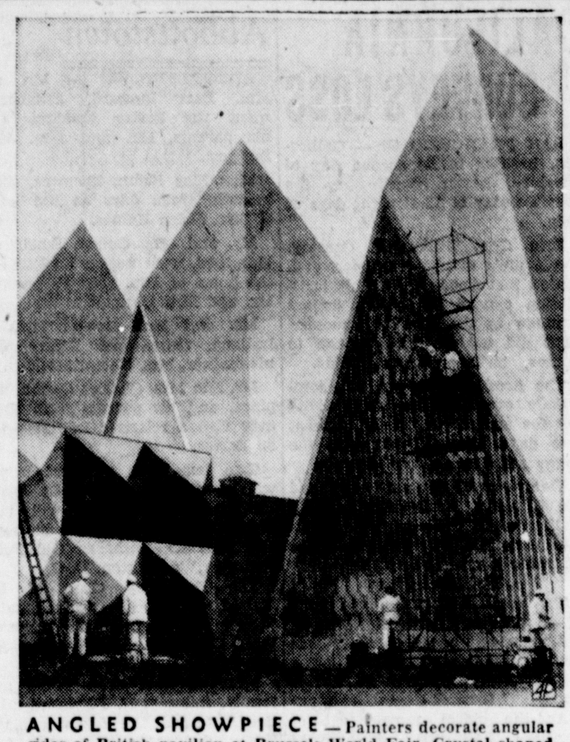

The commission vote was 4-1, with Henry Houck, Shenandoah, voting alone for the increase.

However, Commissioner John Conly of Pittsburgh expressed the opinion "that a proper presentation x x x would show losses justifying the increased fares requested."

BUKITTINGGI, Sumatra (AP) — Bunhanudin Harahap, rebel defense minister, narrowly escaped assassination Tuesday.

Attackers hurled grenades at Harahap's office. Others landed near the office of rebel Premier Sjafruddin Prawiranegara. Both had left for home when the attackers struck.

NEW GM-UAW TALKS TODAY

DETROIT (AP) — General Motors and the United Auto Workers Union set another bargaining session today as negotiators apparently attempted to agree on secondary phases of a new contract before they tackle main issues.

Absence of top negotiators at a 1½-hour session yesterday indicated the talks centered on what are known as non-economic provisions of the labor contract.

These would include seniority, job classifications and working conditions in the shops.

The talks were resumed yesterday after a 12-day recess. At the start of negotiations March 25, UAW President Walter P. Reuther presented the union's controversial profit sharing proposal.

The present three-year contract expires May 29. The present hourly wage in auto plants is about $2.40.

PHILADELPHIA (AP)—Weldon W. Mauger, 60, of suburban Elkins Park, was killed Monday night in a 50-foot fall from a Temple University Hospital window.

Mauger was a patient, occupying a second floor room. He had entered the hospital Friday for observation.

Housing Plan Is OK'd For Harrisburg

WASHINGTON (AP)—A workable program for elimination of slums and blight at Harrisburg, Pa., was approved today by Housing Administrator Albert M. Cole.

The Harrisburg Housing Authority manages four developments with a total of 1,080 low-rent units of public dwellings. Construction of an additional 330 units is planned.

The redevelopment authority expects 360 private homes will be built in its A1 redevelopment project area, now in the loan and grant stage.

Harrisburg's interim master plan was completed in 1950. The planning commission there plans to hire a full-time technical specialist to review and update its comprehensive community plan.

Student Wakened In Library By HST

NEW HAVEN, Conn. (AP) — An unidentified Yale freshman sleeping in the freshman library at Connecticut Hall was awakened by a hand on his shoulder.

He stared up at the smiling face of former President Harry S. Truman.

"That's the way I like to see them study," Truman said. He arrived here yesterday for a three-day stay as a Chubb fellow.

"Missing" Man Is Very Much Alive

WILKES-BARRE, Pa. (AP)—A 36-year-old Lake Carey fisherman, believed to have been swept to his death Sunday night when he fell into the flood-swollen Susquehanna River at Tunkhannock is very much alive today.

Benjamin Pherreigo of Lake Carey, Tunkhannock R. 1, the father of four children, was presumed drowned on Monday when authorities were unable to find his body after an intensive search of the river for several miles downstream from where he fell in while attempting to retrieve a fishing rod.

Tuesday, about 4 a.m., Pherreigo knocked on the door of a Falls resident, John Baker, and asked to be taken home.

Soon after arrival home, he was admitted to Tyler Memorial Hospital, Meshoppen.

PLAN MEETING FOR IKE, QUEEN

MONTREAL (AP) — Canadians are talking about the possibility that President Eisenhower and Queen Elizabeth II will meet at the St. Lawrence Seaway when it opens next April.

The Queen already has promised to come to the opening, and it is believed that the President also will be on hand.

A likely meeting place is Cornwall Island, in the river's International Rapids section. The four-mile island lies in Canadian waters but a new high-level bridge is to link it with the United States just 1,200 feet away.

The two heads of state may clasp hands at the midway point.

The seaway is a joint effort of Canada and the United States.

Myrtlewood is said to grow only in the Holy Land and in the coast region of Oregon. It is used to make wood dishes.

NEW NAVY JET FIGHTER COSTS OVER 9 MILLION

WASHINGTON (AP) — The Navy is buying single-engine jet fighter planes costing $9,900,000 each — more than the most expensive Air Force bomber built, the B52.

The high cost of the F8U3 supersonic all-weather fighter was given in recently released testimony before a House Appropriations subcommittee.

Rear Adm. R. E. Dixon, chief of the Bureau of Aeronautics, said the cost is that high partly because only a few are involved in the initial order. It should drop by about two thirds later, he said.

The Air Force estimates its B52 heavy bomber costs eight million dollars; an F106 jet fighter, $2,870,000; an F102 jet fighter, $1,285,000.

Dixon's testimony shows that the Navy program calls for 18 F8U3s, with five to be procured with fiscal 1958 funds.

The first F8U3 is scheduled to make its first flight within the next two months and to be delivered for fleet use by 1960. It is designed to fly at about 1,500 miles per hour.

POLICE SUSPECT WOMAN SUICIDE

HARRISBURG (AP)—Discovery of a woman's coat, gloves and pocketbook on the Walnut Street Bridge of the Susquehanna River led police today to a belief a woman may have jumped from the bridge into the stream.

Earl T. Stoltzfus, of nearby Enola, identified the clothing as belonging to his mother, Mrs. Bertha D. Stoltzfus, 52, who disappeared on Monday after taking a taxi from her son's home to the Pennsylvania Railroad depot.

Charles R. Laux, police chief of East Pennsboro Twp., said Mrs. Stoltzfus left a note with $115 at her son's home stating "thanks for all you tried to do, but there seems to be no way out of it."

High water prevented dragging the river immediately to hunt for the woman's body.

Unemployment Is Reported Up To 5,198,000

WASHINGTON (AP)—The government reported Tuesday unemployment rose by 25,000 in March. This took the total to 5,198,000—the highest in 16½ years.

The regular monthly report of the Commerce and Labor departments also showed a 323,000 rise in employment for March, taking the total of those at work to 62,311,000.

The report explained the increase in both employment and unemployment as resulting from seasonaal increases in outdoor work. There were, on the other hand, further cutbacks in the manufacturing employment.

With the opening of outdoor work opportunities, additional people come into the labor force.

The March unemployment tally is the highest since the 5,620,000 recorded in August 1941.

Although the detailed Commerce Labor estimates showed a 25,000 jobless increase in March, Secretary of Commerce Weeks and Secretary of Labor Mitchell spoke of it in a news release as being unchanged from February.

This was because the 25,000 increase is within the margin of error conceded by the government as possible in its calculations.

REPORT MINOR FLOODS IN PA.

HARRISBURG (AP)—The Federal State Flood Forecasting Service reported some "minor and moderate local flooding" Tuesday along the Susquehanna River from Towanda to Danville.

"None of this flooding could be considered major by any stretch of the imagination," said O. D. White, of the service.

He said the river is expected to crest in the Towanda and Wilkes-Barre areas during the day and crest as far south as Sunbury by tonight.

"From Sunbury south, we have had some mino. rises in the river stages but nothing to bring floods," White said.

He said the Susquehanna River in the Towanda and Wilkes-Barre area rose sufficiently to require some evacuation of residents along its banks in low sections.

Atom Bomb Victim Dies From Cancer

HIROSHIMA, Japan (AP)—One of the 25 atomic-burned Hiroshima maidens who underwent plastic surgery in New York in 1956 died Tuesday from stomach cancer.

She was Hideko Hirata. A spokesman at the Hiroshima University Hospital said her cancer had no direct relationship with atomic radiation.

"Her blood was normal until the last moment," he reported.

Miss Hirata and 24 other girls burned by the 1945 A-bomb blast were taken to New York on a project started by U. S. magazine editor Norman Cousins. One of the girls died of a heart attack during an operation.

CRITICISM BY U. S. COUNTERED

JAKARTA, Indonesia (AP)—Indonesia Tuesday countered the State Department's criticism of its arms deal with the Communists with a new request to buy 120 million dollars worth of American small arms, planes and warships.

Foreign Minister Subandrio called U. S Ambassador Howard P. Jones and renewed the arms request after State Department spokesman Lincoln White in Washington criticized the Jakarta government's deal to buy small arms, jet fighters and bombers from Yugoslavia, Poland Czechoslovakia.

White's statement aroused indignation in Indonesian official circles.

White expressed U. S. regret at the purchase of arms from the Reds "for possible use in killing Indonesians who openly oppose the growing influence of communism in Indoesia." This made it clear that the State Departmet thought the arms would be used against rebels in Central Sumatra.

A military informant insisted that the arms being obtained from the three Red countries were part of a program to modernize the country's armed forces and were not intended for use against the insurgents.

BRITISH RELEASE CHINESE BOMBER

TAIPEI, Formosa (AP) — British authorities Tuesday released a Chinese Nationalist patrol bomber which made an emergency landing in Hong Kong. The four-engine amphibious P4Y ad its 10 crewmen returned to Formosa.

The British released the plane after finding that it carried no arms, cameras or leaflet dropping equipment. The Chinese Communists were expected to protest. Peiping, which has diplomatic relations with London, has in similar cases demanded that the plane and crew be interned.

The Nationalist plane landed because of engine trouble while on a routine training flight from Formosa to the Paracel Islands, 420 miles south of Hong Kong.

CUBAN TROOPS STRIKE REBELS

HAVANA (AP)—Troops struck at roving rebel bands in Oriente Province Tuesday but thousands of Cubans were reported taking up arms there against the government.

"This week Cuba will be free," declared a bulletin issued by a civic resistance movement composed of many professional, business and religious leaders.

They said Oriente province in eastern Cuba is paralyzed by severed communications, thousands of citizens are arming, and a nationwide general strike is near.

The bulletin called on Cubans to bomb and wreck government vehicles when the strike begins.

An unconfirmed report said soldiers had killed more than 60 guerrillas on the outskirts of Baire, a farming town of 7,000 residents 60 miles northwest of Santiago de Cuba, capital of Oriente.

Heavy fighting broke out there when a strong rebel contingent tried to cut off and occupy the town, usually reliable sources said. There was no immediate report on army casualties.

Use Special Steel In Truck Bodies

PITTSBURGH (AP) — THE U.S. Steel Corp. said Tuesday two of its special steels are being used by a Reading, Pa., firm in the manufacture of a new prefabricated truck body frame.

U.S. Steel said its cor-ten and tri-ten steels are used by the Dana Corp.'s parish pressed steel division to produce its new "package framing."

The new body frames are stronger and more durable but weigh only a little more than frames made of lighter materials, U.S. Steel said.

COURT TO HEAR TRAILER PLEA

LEBANON, Pa. (AP) — Lebanon County Court announced Tuesday it will hear argument May 12 on the seizure of a $7,000 house trailer owned by Mrs. Marguerite (Bonnie) Barnes, alleged girl friend of a former school superintendent charged with embezzlement.

Faber E. Stengle, former Collingdale school board superintendent, is charged with embezzling some $200,000 in school funds. Police alleged he spent some of the embezzled money on Mrs. Barnes, a pretty, red haired divorcee.

The school board seeks to seize the blue and white trailer now parked at Johnstown on Route 2, eight miles north of here, to make up some of the money allegedly taken by Stengle.

The seizure is being contested by Mrs. Barnes, who reportedly is in Florida. She is represented by State Sen. Thomas A. Ehrgood. The board will be represented by Clarke M. Seltzer.

CALIFORNIA SURVEYS LOSS

SAN FRANCISCO (AP) — California, basking in its second day of sunshine, began counting up the cost Tuesday of 12 straight days of rain.

Brig. Gen. William F. Cassidy, the Army's district engineer, estimated that floods within his jurisdiction caused 20 million dollars damage in the past two months That did not include damage to homes, businesses and roads.

The flood danger was not completely over, but forecasters did not see another storm for at least five days. That should give the soggy soil a chance to dry.

Water covering an estimated 100,000 acres in the San Joaquin Valley began draining from fields back into the San Joaquin River as rains stopped.

Hail And Snow

The greatest recorded snowpack of all time is in the High Sierra, but state officials said there was little immediate likelihood of a sudden thaw melting it into a flood.

As the storm moved out of northern California, it dumped heavy rains on Southern California and dropped hail and a foot of snow in the mountains.

For a time some roads were closed by dirt slides as the largest runoff in 15 years threatened five dams in northern San Diego County. Main highways have been cleared.

The juices that poultry stuffing absorbs during the roasting of the bird account for the expansion of the dressing.

Believe Russians Used Live Warheads

WASHINGTON (AP)—Deputy Secretary of Defense Donald Quarles says the Soviets may have tested some long-range missiles with live nuclear warheads.

He said he would be surprised if this hadn't occurred during the extended nuclear tests completed by the Soviets last month.

Quarles declined for security reasons, however, to say how accurately the United States can detect Soviet rocket launchings.

Quarles, in a radio interview, also said he doubted the Soviets have test-launched intercontinental range weapons.

ANNOUNCEMENTS

Card of Thanks 2

We wish to express our thanks to the Harney, Gettysburg, Barlow and Greenmount Fire Companies for their response to the fire which destroyed our place of business. We also wish to thank all the neighbors and friends who helped at the time of the fire and who helped to clean up after the fire was out, in order that we could start rebuilding and getting ready to continue with our business.
MR. & MRS. DANIEL YINGLING

NOTICE
Pursuant to the authority granted by the Act of 1933, P. L. 289 as amended, the American Legion Club of Gettysburg, a non-profit corporation with its registered office in Gettysburg, Pennsylvania, herewith gives notice of its intention to apply to the Court of Common Pleas of Adams County, Pennsylvania, for an amendment to its corporate charter on the 14th day of April, 1958, at 10:00 o'clock, a.m. The nature of the proposed amendment is to open membership in the corporation to veterans honorably discharged from the military services of the United States after application, investigation and ballot, and to restrict voting privileges and office holding in the corporation to those members of the corporation who are members of Albert J. Lentz Post No. 202 of the American Legion of Gettysburg, Pennsylvania. The Articles of Amendment have been filed with the Prothonotary of Adams County where they may be examined by any interested parties.
S. CHARLES SMITH, Secretary
American Legion Club of Gettysburg

MORE TROOPS BATTLE REBELS

HAVANA (AP) — The government threw fresh troops into Oriente province yesterday in an attempt to crush the rising resistance of rebels in eastern Cuba.

About 700 soldiers were flown from Havana to Santiago de Cuba, the capital of Oriente, to join army, navy and air forces already believed to total 10,000 men.

There were reports the rebels had beefed up their forces with arrivals from abroad and by picking up supporters during swings through open country near their mountain hideouts. Rebel sources in Havana said their strength has increased to about 5,000 men in Oriente.

The government has acknowledged that Fidel Castro's guerrillas are receiving aid by air. The army claimed that one cargo plane was shot down while flying in supplies for Castro.

The rebels said a plane was burned on the ground, but that they burned it themselves because the plane was unable to take off after landing with reinforcements and arms. Neither side was saying where the plane came from.

REDISTRICTING PROBLEMS VEX PA. COMMISSION

HARRISBURG (AP) — Judge Robert E. Woodside, chairman of a 15-member commission studying constitution changes, said today the vexing problem of enforcing legislative reapportionment is under study.

"But we're a long way from making any specific recommendations on this problem," he told a newsman.

The big question, he said, is to make any enforcement provision acceptable to the General assembly. Before the constitution can be changed, approval must be given by two legislatures and then by a vote of the people.

No Penalty Provided

The state constitution now says the legislature must redistrict its seats after each 10-year census. The word "shall" is used but there is no penalty if it doesn't.

As a result, the state senate has not been reapportioned since 1921. It has resulted in some Philadelphia senators representing as many as 400,000 persons and others from rural areas, from 30,000 to 40,000 residents.

The House was reapportioned by the 1953 legislature after the task was left undone for more than 30 years. An effort was made in the 1930's but the State Supreme Court threw out the legislation because several communities were inadvertently dropped from the list of districts.

Opposes Pay Suspension

"In many other states," Woodside said, "enforcement provisions appear in the constitution so that the legislature cannot ignore its duty."

He said the most popular method was to authorize creation of a commission to carry out redistricting whenever the legislature failed to do so.

Woodside said he personally would oppose any suggestion that the lawmakers' pay be suspended until the job is done.

Federal Plan

In 1951, a group of Philadelphians went into U. S. District Court seeking an order to force the legislature to follow through on reapportionment. The case was dropped by the court for lack of jurisdiction.

The legislature also has the job of reapportioning congressional districts. It has accomplished this every 10 years because the U. S. Constitution provides that the congressmen shall be elected at large if the state is not reapportioned.

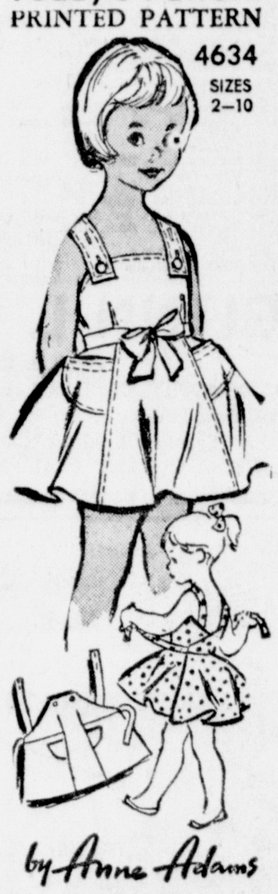

The state now has 50 senators and 210 members of the house.

UNION TRUCKERS QUIT SUPPORT OF CBS STRIKE

NEW YORK (AP) — Union truck drivers in New York City have withdrawn their support of technicians on strike against the Columbia Broadcasting System.

The walkout of television and radio engineers, cameramen and other technicians went into its third day today.

The technicians got the Teamsters' backing long enough to keep some scenery and props from some television shows.

John J. O'Rourke, president of Joint Council 16 of the Teamsters Union, said during the day that the Teamsters would respect picket lines thrown up by striking CBS employes.

Last night, at a meeting of the local unions affiliated with the Joint Council, a temporary decision was made to drop this support and to take the matter up again if the striking technicians formally request Teamster support.

Programing Improves

Some programs went on without a full complement of scenery and props, CBS said, however, that its programing improved "vastly" over Monday. Makeshift crews of supervisory and executive personnel are handling cameras, microphones and other technical equipment.

The strike also involves the CBS radio network, but its operations have not been hampered.

A live Red Skeleton program set for last night from Hollywood was canceled and a kinescope of an earlier Skelton show was substituted—the only program not to go on as scheduled. CBS promised "a normal program schedule" on TV today.

The network has canceled the live presentation of two shows tomorrow night. Climax will offer a filmed repeat. Playhouse 90 will present a filmed drama not previously televised. Both programs originate in Hollywood.

Cause Of Plane's Crash Is Unsolved

MIDLAND, Mich. (AP)—The cause of an Easter night plane crash in which 47 persons died remained a mystery today as government experts continued a painstaking probe of the wreckage.

State police and FBI investigators worked a few hundred feet from the wreckage, seeking to identify the last eight victims of the Capital Airlines Viscount crash at nearby Tri-City Airport.

Civil Aeronautics Bureau and Civil Aeronautics Administration experts were scheduled to meet today to report on their findings as to the cause of the crash.

BENDERSVILLE COUNCIL MEETS

The Bendersville Borough Council met Monday evening at the residence of Clyde P. Orner, secretary, due to the remodeling and painting of the Bendersville National Bank where their meetings are customarily held.

In order to qualify for the borough's portion of the state tax on gasoline, which is distributed by the county commissioners, and a state appropriation, both of which must be spent in improving the highways of the town, it had previously been decided to spend this money improving Hill St., by widening the hard surfacing of this street from curb to curb, removing unnecessary trees and having concrete curbs and sidewalks laid on both sides past the Lutheran Church.

The borough must lay about 1,600 feet of new 6-inch water line this spring in order to connect the new well and buy new well pump. Since so many residents and taxpayers of the town have urged council to install a new 6-inch water line on Church St. before this street work is done, a decision was made to lay a new water line from the square past the Lutheran Church.

The council said that as soon as all water lines have been replaced with 6-inch pipes, the fire insurance rate will drop 50 per cent on all town properties.

Cameron Barbour has been appointed to council filling the vacancy caused by the resignation of Robert Orner, which the council accepted with regret. Members in attendance of the meeting were: James Wright, president; Parker Kuntz, W. B. Delap, Mervin I. Rice, Lloyd Bream and Burgess Leighton C. Taylor.

SAYS NEWSMEN MISQUOTED HIM

BUDAPEST, Hungary (AP) — Accusing Western newsmen of twisting his words, Soviet Premier Khrushchev declared the U.S.S.R. will help stamp out any revolt that might hit Hungary or its Communist neighbors.

The Soviet boss, whose tank legions crushed Hungary's 1956 uprising, spelled out the Kremlin's position yesterday before 40,000 Hungarians at the coal-mining center of Tatabanya, one of the last rebel strongholds to fall 18 months ago.

Khrushchev charged Western journalists with distorting his statement at Stalinvaros Saturday that if revolt came to Hungary again, the Hungarian Communists should not count on the Soviets for help.

Khrushchev insisted he meant that the Hungarian Reds should run their show in such a way that there would be no new uprising.

Stephen Hopkins, one of the signers of the Declaration of Independence, was 10 times governor of Rhode Island.

Name Dean For New Harrisburg College

HARRISBURG (AP)—Dr. John C. Berrier, director of campus activities for Temple University, was named dean of the new Harrisburg area college center at a meeting of the center's directors last night.

The center, which will offer more expanded program of higher education than is currently available in the existing college extension programs, is scheduled to open in the fall.

Dr. Berrier is a graduate of William Penn High School here.

BETHLEHEM, Pa. (AP) — C.A. Major has been renamed president of the Lehigh Valley Railroad for the 12th time.

The annual meeting yesterday also re-elected these directors: Carl W. Badenhausen, James A. McConnell, Henry P. Bristol, Edwin M. Lavine and Tristan Antell.

Major told the stockholders 1958 so far has been unsatisfactory.

ILGWU STUDIES PGMA OFFER

HAZLETON, Pa. (AP)—The International Ladies Garment Workers Union was expected today to consider proposals submitted by the Pennsylvania Garment Manucacturers Assn. in an attempt to end a five-week strike.

Some 150 PGMA members unanimously endorsed the proposals at a special membership meeting last night.

PGMA officials declined to disclose the terms of the proposals, drawn up in a series of meetings with union leaders, pending action on the offer by the ILGWU.

PGMA President Abraham Glassberg was due in New York today to get the union's reaction to the plan. He said he would call a membership meeting in Hazleton immediately if the proposals are accepted.

At least 3,000 Pennsylvania garment workers are still idle since the ILGWU struck March 5 in the northeastern United States. All but the Pennsylvania workers employed at PGMA plants have ended the strike.

FATALLY CRUSHED

PHILADELPHIA (AP)—James Allen, 34, Philadelphia, was crushed to death last night when the forklift truck he was operating at an express company fell on top of him.

Add a little basil to tomato juice about an hour before serving, then strain. Good flavor:
